SECTION A

INSTRUCTIONS TO BIDDERS

SECTION A INSTRUCTIONS TO BIDDERS

1.0 PROJECT DESCRIPTION

The Memphis Area Transit Authority (hereinafter referred to as MATA) seeks sealed BIDS from qualified firms to provide construction services for **Installation of Bus Shelters**.

These instructions provide detailed legal and technical requirements for procurement of construction services.

MATA is a public agency responsible for providing public transportation services within the City of Memphis and surrounding communities.

2.0 RECEIPT AND OPENING OF BIDS

MATA invites bids on the forms attached hereto. All blanks must be appropriately filled in. BIDS will be received at the office of MATA's Purchasing Department, Memphis, Area Transit Authority, 40 S. Main Street, Suite 1200, Memphis, TN 38103, until 11:00 a.m., **Friday, August 29, 2025**, and opened and read aloud. BIDS received after 11:00 a.m. will be returned to the BIDDER unopened.

Each bid must be submitted in a sealed envelope bearing on the outside the following information in accordance with Section 62-6-119 of the State of Tennessee Contractor's License Law and Rules and Regulations, 1997 edition.

- a) Name of Project:
- b) Contractor's Name:
- c) Contractor's Address:
- d) Contractor's License Number, expiration date, and that part of the classification applying to the bid. This information shall also be provided for the contractor applying to the bid for electrical, plumbing or heating, ventilation and air conditioning work.

MATA will supply red and white Bid/Proposal label, which must be attached to the exterior of the bid envelope. It is necessary for each BIDDER to provide evidence of a license in the appropriate classification(s) before such bid may be considered.

All BIDS shall be deemed received at the above address. BIDDERS are solely responsible for ensuring that his/her BID is timely delivered. BIDDERS who rely on overnight delivery services, the United States mail, private mail services, local couriers or delivery services remain solely responsible for timely delivery of the BID and assume all risk of late delivery, mis-delivery and non-delivery.

All BIDS will be date/time stamped, logged and deposited by MATA Staff.

BIDDERS are reminded that all BIDS must be securely sealed, have the enclosed label attached and be clearly marked "Bid".

After normal business hours (4:30 p.m. - 8:00 a.m.), BIDS will be accepted at the MATA dispatcher's office, 1370 Levee Road, Memphis, TN 38108; however, BIDDERS are reminded of their sole responsibility for ensuring that their BID is deposited in the Purchasing Department

BIDDERS may verify receipt of BIDS by contacting MATA at (901) 722-7182 or via email at abest@matatransit.com or purchasing@matatransit.com.

Any BID may be withdrawn prior to the above scheduled time for opening of bids or authorized postponement thereof. Any BID received after the time and date specified shall not be opened.

BIDDERS must comply with all applicable licensing requirements.

MATA reserves the right to reject any and all bids and to waive any informality in bidding. MATA RESERVES THE RIGHT TO DELAY AWARD OF THIS CONTRACT FOR A PERIOD OF UP TO NINETY (90) DAYS AFTER RECEIPT OF BIDS.

3.0 PREPARATION OF BIDS

Each BID must be submitted using bid forms in Section C and must include in the initial sealed envelope the following fully executed items:

- a) His written bid on the form provided in Section C; all spaces complete in ink or typewritten.
- b) Bid security in form of Bid Bond or certified check in the amount of the 5% RETAINAGE of the bidder's bid.

Performance Bond:

MATA will allow the successful contractor to provide a performance bond each time MATA has a need to install a shelter or group of shelters.

Railroad Protective Insurance:

Is not needed unless, a shelter is being installed within 12 feet of a freight railroad.

- c). Bids should exclude the cost of a performance bond. MATA will bond cost and include the costs in each order for a shelter or group of shelters to be installed. A Bid Bond is still required to be included with the bid.

4.0 BID GUARANTEE REQUIREMENTS

Submit bid guarantee as a guarantee that:

- a) Bidder will not withdraw bid for one hundred twenty (120) days after opening of proposals without Owner's written consent.
- b) If bid is accepted, Bidder will enter into formal contract with Owner, within ten (10) days after receipt of contract documents for execution.
- c) If bid is accepted, Bidder will obtain required insurance coverage within ten (10) days after receipt of contract.
- d) Contract between Owner and Contractor will be submitted to the Contractor for signature, then returned to the OWNER for signature.

All certificates of insurance must be submitted by the Contractor at the same time as he returns the signed CONTRACT to the OWNER.

A bidder's bond or certified cashier's check on a solvent bank located in the State of Tennessee payable to the Owner in the amount of 5% RETAINAGE of the bid must accompany the bid. Said instrument to remain in effect until (and will be returned only after) the contract has been fully executed and secured. The successful bidder shall execute a performance bond in an amount equal to 100% of the contract sum as security for the faithful performance of the contract and for the payment of labor and material furnished and incorporated into the work. The only acceptable form of instrument for this bond is found herein. Bond shall be furnished through an agent domiciled and legally authorized to do business in the State of Tennessee and delivered to the OWNER **no later than ten (10) calendar days after the date shown on written notice from the Owner**. Surety Company proposed shall be one acceptable to the owner.

BIDDER shall be liable to the OWNER for full amount of bid guarantee as representing damage to the OWNER on account of default of BIDDER in any particular thereof if:

- 1) BID is withdrawn within ninety (90) days after receipt of BIDS without approval of OWNER.
 - 2) BIDDER fails to enter into CONTRACT with OWNER and execute required PERFORMANCE BOND and provide required insurance coverage within ten (10) calendar days subsequent to notice of award of CONTRACT.
- e) The amount of the bid bond is determined based on the line on the Bid form labeled "TOTAL Line 2 + Line 3". Compute the cost in Year 1 by taking this number and multiplying by 20 shelters. Repeat the process for Years 2, 3, 4, and 5. Then add all five yearly totals and multiply by 5% to determine the bid bond amount. The Performance Bond amount will be determined in the same manner.

5.0 STATE OF TENNESSEE CONTRACTOR REQUIREMENTS

If BID is \$25,000 or over, bidder must be licensed contractor in the State of Tennessee as required by Title 62, Chapter 6, Section 119 of the Tennessee Code Annotated. CLASSIFICATIONS FOR THIS PROJECT SHALL BE HRA (a,b,e) or MU (c,d).

Additionally, the bidder shall include the name, license number, expiration date thereof, and license classification of the contractor applying to the bid for electrical, plumbing and heating ventilation or air conditioning, on the outside of the envelope containing the BID; otherwise, the BID shall not be opened or considered. In the event the aforementioned classifications are not applicable to the PROJECT, the BIDDER shall indicate not applicable (N/A) on the appropriate line.

6.0 SUBCONTRACTORS

If the Contractor shall sublet any part of this contract, the Contractor shall be as fully responsible to the Owner for the acts or omissions of the subcontractor and of the persons either directly or indirectly employed by his subcontractor as he is for the acts and omissions of persons directly employed by himself.

Within seven (7) days after bids are opened, the apparent low bidder and any other bidder so requested shall submit a list of all subcontractors he expects to use in the WORK. An experience statement with pertinent information as to similar projects and other evidence of qualifications shall be furnished for each named subcontractor, as required by the Owner. If the Owner or Consultant, after due investigation, has reasonable objection to any proposed subcontractor, he may, before contract execution, request the apparent low bidder to submit an acceptable substitute without an increase in his bid. If the apparent low bidder declines to make any such substitution, he will not thereby sacrifice his bid security. Any subcontractor so listed and to whom the Owner or Consultant does not make any written objection prior to Contract execution will be deemed acceptable to the Owner and Consultant.

Contractor shall not be required to employ any subcontractor against whom he has reasonable objection.

The use of subcontractors listed by the BIDDER and accepted by the OWNER prior to CONTRACT execution will be required in the performance of the WORK.

7.0 BID EXCLUSIONS/QUALIFICATIONS:

Any bid that is qualified in any way or which contains any exclusion will automatically be classified as non-conforming and shall not be given consideration for contract award.

8.0 ADDENDA

MATA will forward one (1) copy of all addenda to holders of each set of documents. All such addenda will become a part of the contract documents and subject to all conditions contained therein and must be listed on the Bid Form for the bid to be accepted.

9.0 REQUESTS FOR CLARIFICATION OR APPROVED EQUAL

Requests for clarification or approved equal must be submitted in writing to Ashley Best, Sr. Contract Administrator, via email to abest@matatransit.com and must be received no later than **11:00 a.m., local time Wednesday, August 13, 2025**, in accordance with the Approved Equals procedures described in the General Contract Provisions. Any unapproved deviations, exceptions, substitutes, alternates or conditional qualifications contained in a bid may be cause for its rejection. **VERBAL QUESTIONS WILL NOT BE ANSWERED, THUS PREVENTING AN UNFAIR ADVANTAGE TO ANY BIDDER.**

10. TIME OF COMPLETION:

The work shall begin immediately upon date indicated on the Notice-to-Proceed and shall be completed in accordance with the following schedule.

Work shall be finally complete within **15 days**. All time noted above is based on consecutive calendar days (and the time allowed for each bid item is intended to be concurrent with the other bid items). Upon acceptance of this Contract, the Contractor agrees to pay the Owner liquidated damages for every calendar day that the WORK remains incomplete beyond the completion date of the Notice-to-Proceed.

Construction time shall include all normal weather conditions, such as rain, snow and freezing temperatures. Extension of time will not be allowed for the normal inclement weather, as recorded by the Memphis Area Office of the National Weather Service. Claims for delay attributed to unusually severe weather must be supported by National Weather Service climatological data covering the period in question and the same calendar period for the five preceding years. When the weather for the period in question exceeds in intensity or frequency the five-year average for the same period, a time extension will be considered. Comparison will be on a monthly basis. For a day to be considered as a possible non-working day due to rainfall, the rain on that day must exceed 0.05 inches. Whether or not a time extension is granted will depend upon the effect of the weather on the work being performed during the period in questions.

11. PRE-BID CONFERENCE:

A Pre-Bid Conference will be held at **10:00 a.m. on Tuesday, August 12, 2025**, at MATA's Board Room, 1370 Levee Road, Memphis, TN 38108 and via Microsoft Teams, **Meeting ID:** 281 483 036 695 5, **Passcode:** ME3kM9YH or **Dial in by phone** +1 901-614-1074,,983386293#, **Phone conference ID:** 983 386 293# . All parties interested in bidding on this project are hereby invited and urged to attend this meeting. A walkthrough will take place immediately after the pre-bid meeting.

12. FIELD MEASUREMENTS:

The CONTRACTOR shall make his own measurements to verify square footage, dimensions and quantities to complete the PROJECT. The dimensions and areas indicated on the DRAWINGS are for reference only and are not to be considered as the actual dimensions and areas.

13.0 DISADVANTAGED BUSINESS ENTERPRISE

- The following rules apply to Disadvantaged Business Enterprise participation by firms/teams:
- Only certified Disadvantaged Business Enterprises can be counted toward the goal. Participation

by certified "Minority Business Enterprises" (MBE) or certified "Woman Owned Business Enterprises" (WBE) cannot be counted toward the goal. While participation by MBEs and WBEs is encouraged, MATA is governed by the U.S. Department of Transportation program which only recognizes the designation of DBE.

- DBEs must be certified in Tennessee.
- MATA is a member of the Tennessee Unified Certification Program (TN UCP) and accepts Tennessee DBE certifications from the following entities:
 - Memphis Area Transit Authority
 - Tennessee Department of Transportation Unified Certification Program
 - Uniform Certification Agency (managed by the Mid - South Minority Business Council)
 - A list of firms currently certified in Tennessee can be found at:
www.tdot.state.tn.us/dbedirectinternet/
- Certification in the State of Tennessee must be achieved by the time the proposals are due otherwise the participation of a proposed DBE firm cannot be counted toward the goal. If a proposed DBE firm is not certified at the time the proposals are due and, as a result, the goal is not met, then the proposal will be considered "non-responsive" and rejected unless the good faith efforts have been accepted as satisfactory.
- It is highly recommended that a copy of a current certification of Disadvantaged Business Enterprise issued by the Tennessee Department of Transportation or the Uniform Certification Agency be included with the offer for each DBE firm being proposed.

13.1 GENERAL DBE INFORMATION

Memphis Area Transit Authority (MATA), a recipient of Federal financial assistance from the Federal Transit Administration, is committed to and has adopted a Disadvantaged Business Enterprise Policy in accordance with Federal Regulations (49 C.F.R. Part 26, as amended) issued by the U.S. Department of Transportation. It is the policy of MATA to ensure nondiscrimination in the award and administration of DOT-assisted contracts and to create a level playing field on which DBEs can compete fairly for contracts and subcontracts relating to its activities.

To this end, MATA has developed procedures to remove barriers to DBE participation in the bidding and award process and to assist DBE firms to develop and compete successfully outside of the DBE program. In connection with the performance of this contract, the Prime Contractor will cooperate with MATA in meeting these commitments and objectives.

Accordingly, the Prime Contractor and any subcontractors shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Prime Contractor and subcontractors shall carry out applicable requirements of 49 C.F.R. Part 26 in the award and administration of DOT-assisted contracts. Failure by the Prime Contractor and any subcontractors to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as MATA deems appropriate.

13.2 DBE GOAL

A. Annual Overall Goal for DBE Participation

An annual overall goal for DBE participation in Owner U.S. DOT-assisted contracts is established by MATA's DBE Officer and approved by MATA's Board of Commissioners on a fiscal year basis. This goal reflects the availability of ready, willing and able DBE's that would be expected to participate in Owner contracts absent effects of discrimination. The goals are calculated as a percentage of the total amount of

U.S. DOT funds that the OWNER expects to expend on contracting opportunities during the fiscal year.

B. DBE Goal Applicable to This Contract

MATA has established a 24% DBE goal for this contract. However, DBE participation is encouraged either the capacity of the Prime Contractor or subcontractor. bidders are required to document their activities in the solicitation and selection of subcontractors to ensure that this process is carried out in a nondiscriminatory manner.

C. Evaluation of DBE Certification Status

MATA shall require that any DBEs listed by bidders for participation in the CONTRACT be certified, as eligible DBEs at the time of Proposal submittal. The DBE Officer shall review the BIDDER's DBE Participation Form to confirm each DBE firm's certification status.

D. Determination of Amount of DBE Participation

Only the work actually performed by a DBE with its own forces will be counted as DBE participation. A DBE may participate as a Prime Contractor, subcontractor, joint venture partner, or vendor or supplier of materials or services required by the contract.

A DBE's participation can only be counted if it performs a commercially useful function on the contract. A DBE performs a commercially useful function when it actually performs, manages and supervises a portion of the work involved. There is a rebuttable presumption that if the DBE is not responsible for at least 30% of the work with its own forces or subcontracts a greater portion of the work than the normal industry standard, it is not performing a commercially useful function. A DBE trucking company performs a commercially useful function if it is responsible for the overall management and supervision of the transportation services involved and uses at least one truck that it owns, insures and operates with its own employees on the contract.

The Contractor shall count DBE participation according to the following guidelines and in accordance with 49 CFR §26.55:

- i. DBE Prime Contractor - Count the entire dollar amount of the work performed or services provided by the DBE's own forces, including the cost of materials and supplies obtained for the work and the reasonable fees and commissions charged for the services. Do not count any work subcontracted to another firm as DBE participation by the DBE Prime Contractor.
- ii. DBE Subcontractor - Count the entire amount of the work performed or services provided by the DBE's own forces, including the cost of materials and supplies obtained for the work, except for materials and supplies purchased or leased from the Prime Contractor, and reasonable fees and commissions charged for the services. Do not count any work subcontracted by the DBE Subcontractor to another firm as DBE Participation by said DBE subcontractor. If the work has been subcontracted to another DBE, it will be counted as DBE participation for that other DBE.
- iii. DBE Joint Venture Partner - Count the portion of the work that is performed solely by the DBE's forces or, if the work is not clearly delineated between the DBE and the joint venture partner, count the portion of the work equal to the DBE's percentage ownership interest in the joint venture.
- iv. DBE Manufacturer - Count 100% of the costs of materials and supplies obtained from a DBE manufacturer that operates or maintains a factory that produces the materials and supplies on the premises. This applies whether the DBE is a prime contractor or

subcontractor.

- v. DBE Regular Dealer - Count 60% of the costs of materials and supplies obtained from a DBE regular dealer that owns, operates or maintains a store or warehouse in which the materials and supplies are regularly bought, kept in stock and sold or leased to the public in the usual course of business, except regular dealers of bulk items such as petroleum, cement and gravel who own and operate distribution equipment in lieu of maintaining a place of business. This applies whether a DBE is a prime Contractor or subcontractor.
- vi. Other DBEs - Count the entire amount of fees or commissions charged for assistance in procuring or delivering materials and supplies when purchased from a DBE that is not a manufacturer or regular dealer. Do not count the cost of materials and supplies.
- vii. DBE Trucking Company - Count the entire amount of the transportation services provided by a DBE trucking company that performs the work using trucks it owns, insures and operates with its own employees on the contract.

Count the entire amount of the transportation service provided by a DBE trucking company that performs the work using trucks it leases from another DBE, including an owner-operator, provided that it is responsible for the overall management and supervision of the service and that it uses at least one truck that it owns, insures and operates with its own employees on the contract.

Count the entire amount of fees and commissions charged for providing the management and supervision of transportation services using trucks it leases from a non-DBE trucking company, including owner-operator, provided that it is responsible for the overall management and supervision of the service and that it uses at least one truck that it owns, insures and operates with its own employees on the contract..

SECTION B

SCOPE OF SERVICES

SECTION B SCOPE OF SERVICES

MATA is seeking bids for the assembly and installation of bus shelters with free standing benches on an as- needed basis at various locations in MATA's service area.

It is anticipated that there will be about 58 shelters with benches installed under this contract. Projections are for the installation of approximately 20 shelters with benches per year over a period of 5 years. The minimum number of shelter installations covered by this procurement is 40 and the maximum number is 100.

MATA has awarded a contract to Tolar Manufacturing Company to provide the shelters. MATA may purchase a variety of shelter types and sizes, but for the purpose of this IFB, Bidders are requested to base their prices on the Sierra Model Low Peak Bus Shelter 9NALP-PM (9754-01). Additional information about this shelter model, including Installation Instructions, is included at the end of Section B.

In some cases, the new shelters will be replacing existing shelters, and in those cases, only removal of the existing shelter, and assembly and installation of the new shelter will be required. In other cases, it will also be necessary to pour a new concrete slab for the new shelter to be placed on. Other accessories, such as bike racks, and trash cans, will also be installed along with shelters in certain locations. In other cases, an existing MATA shelter will need to be removed, installed at another location and painted to match the new shelter color.

There will be no electrical work included in this project.

In most cases, shelters will be located with the existing street right-of-way. The right-of-way line is usually at the back of the sidewalk. For locations that currently have shelters, the new shelter will be placed in the same location as the existing shelter. For shelters in new locations, MATA will provide a sketch of the layout. MATA will be responsible for securing additional right-of-way, if needed. The successful bidder will be responsible for obtaining all construction permits.

The successful bidder will also be responsible for:

1. Transporting each new shelter from storage (located at 1370 Levee Road) to the installation location.
2. Installing the shelter and free standing bench on existing sidewalk/pad or installing a 12' X 6' concrete pad for installation of the shelter and bench. Shelters are to be installed 15 days after issuance of notice to proceed. The contractor has 15 days for each shelter to be completed. MATA will work with the contractor on release of each location.

Photo of the shelters to be installed is attached as Exhibit A.

Technical Specifications and drawings are attached as Exhibit B.

Installation instructions and drawings of the shelter are attached as Exhibit C.

3. During construction, an accessible path must be maintained for pedestrians and wheelchair users in order to minimize disruption to bus service. If a bus stop must be moved, the contractor is required to give a notice so MATA can notify the passengers, operators and bus stop crew.
4. Shelter pad must be installed to meet the sidewalk code requirements of the municipality in which the pad is located and contractor must be licensed to install sidewalks in that

municipality. For example, contractors should ensure there is at least 3' of clearance for ADA access to shelters. If no sidewalk code exists for the shelter location, or if code requirements for that location are less than those on the city of Memphis, city of Memphis sidewalk code requirements will be used. A link to this information is listed below.

http://www.memphistn.gov/Portals/0/pdf_forms/023A-SidewalkOrdinancesHandbook.pdf

5. If installation of a shelter requires additional concrete, contractor shall install any additional concrete needed and bill MATA the per square foot amount set forth in the contractors bid form submitted in the bid response.
6. If a shelter is currently installed at the selected site, contractor will be required to remove existing shelter and return it to MATA or dispose of it, as directed by MATA. As shelters are taken down, the contractor should try to salvage parts from these existing shelters for MATA to reuse.
7. Once construction is completed, the contractor is responsible for cleaning up all debris from the location.
8. Each shelter will have to be accepted before payment is made.
9. Davis-Bacon wage rates apply to this procurement.
10. All bidders must submit a minimum of 3 references and list of recently completed projects that are similar in scope to this project.

ROOF PANEL INSTALLATION

- 1. Place the 1/8" thick aluminum panel over the bows of the roof. Install edges into grooves as shown in Fig. 1 (Page 5). There should be a 1/2" gap between each panel.**
- 2. See Fig. 2 (Page 6), place the pressure rib with the two rubber bulb seals over the center joints. The pressure rib should contact each other firmly at the roof peak. Use the TEK screw #14 x 1-1/4" (3 per batten) to secure the batten to the roof bow. The TEK screw is self-drilling and tapping. A 3/8" nut driver with suitable power tool should be used.**
- 3. See Fig. 3 (Page 7), place the roof end flush to the end of the roof bow. Use 3 of the TEK screws per each of these battens.**

ROOF INSTALLATION

SEE PAGES 9 & 10

1. Slide the four 18" long shoes into the four support posts.
2. Raise the roof (weight-175 pounds) Raise the roof (weight-200 pounds) with the rear glass insertion groove at the back, and position the post assemblies under the roof cross beams. The roof should overhang the dual post assemblies more toward the street. The post assembly with the access hole near the bottom must be placed at the right back of the shelter.
3. The SO electrical cord must be dropped down the right back support pipe. This electrical cord is shipped attached to the roof crossbeam. Lower the roof down onto the support posts.
4. Insert and tighten four (4) each 3/8-16 x 1" Hex Head Bolts, 3/8 Lock washers and 3/8 flat washers at the top of each post assembly.
5. Level the roof by placing a carpenter's level on the roof's gutter. The roof height can be increased if desired. Drill a Ø 1/2" hole completely through the shoe. Install and tighten the 1/2-13 x 4" hex head bolt at each post. Use the self-locking hex nut to secure. The small Ø 1/4" may be used initially to level the roof. Drill a Ø .221" (#2) hole through the shoe. Hammer in a drive screw #14 x 3/4" long completely through the shoe. However it is not required that this drive screw be used.
6. Plumb each post assembly. The pipe to pipe centerline measurement must be 24-1/8" for fitting of the end glass later. Pipe to pipe inside measurement is 20-5/8". Check this dimension at the pipe bottom before tightening the anchors.
7. Refer to Anchoring Spec Sheet for anchoring instructions.
8. Removing the access cover from the support post provides access to the SO cord. Make line connections from 120VAC 60Hz power source. NOTE: There is a light switch in the roof crossbeam over this support post. Force out the plastic light lenses for access to the switch.

REAR SCREEN INSTALLATION

SEE PAGES 3 & 12

- 1. Drop a plumb line from the rear screen insertion groove of the roof perimeter. Mark the concrete near both ends of the roof and snap a chalk line. The rear screen support/anchor assemblies will be inserted on this line. Mark the chalk line at the intervals shown on PAGE 12. These marks will be the proper spacing for the support/anchor assemblies.**
- 2. Drill two(2) Ø 1-1/4" holes into the concrete on the marks with a masonry drill. These holes should be at least 8" deep and may penetrate into the grade below the concrete. This depth is required to allow clearance for the threaded adjusting rod. Clean out holes.**
- 3. Place the bottom screen support/anchor assemblies into the holes. The top surface of the anchor itself should be flush to concrete or 1/2" below. The total height of the screen is 79-1/8". Measure from inside the screen insertion groove to the screen support anchor. Rotate the threaded rod inside the anchor to adjust height. Tighten the 3/4-10 hex nut to expand and secure anchor. Slide screen up into screen insertion groove and onto bottom screen support/anchor assemblies(separate the clips, it can slide off), then replace the clips.**

NOTES:

1. SCREEN CAN BE INSTALLED OUTSIDE OF TABS ON PIPE OR INSIDE OF TABS.

2. LOOSEN THE ANCHORS AT BOTTOM TO ALLOW FITTING OF SCREEN.

3. INSTALL THE TAMPERPROOF SCREW THROUGH THE SCREEN FRAME FIRST THEN THROUGH THE TAB.

SECTION D
UTILIZATION OF DISADVANTAGED
BUSINESS ENTERPRISES

Utilization of Disadvantaged Business Enterprises

1. **Policy and Terms**

- a. It is the policy of the Memphis Area Transit Authority (MATA) that Disadvantaged Business Enterprises (DBE) as defined in the United States Department of Transportation (USDOT) Regulation 49 C.F.R. Part 26 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds.
- b. Refer to Section A, 8.0 for DBE requirements.
- c. The DBE participation goal shall be expressed as a percentage of the total Contract price. The Bidder may also meet the goal by showing good faith efforts to meet the goal as described in 49 C.F.R. Part 26 and as set forth in Section D. Any evidence of good faith efforts must be submitted with the sealed bid or the bid will be rejected in its entirety.
- d. The DBE participation goal shall apply to the total dollar value of this contract, inclusive of all amendments, modifications, and change orders. The Bidder agrees to make its best efforts to include DBE participation in any contract modification work.
- e. The goal may be met, as further explained in Section D hereof, by the Bidder's status as a DBE, by a joint venture with one or more DBEs, by subcontracting a portion of the work to one or more DBEs, by the purchase of materials used in the performance of the contract from one or more DBEs or by any combination of the above or through a showing of good faith efforts as defined in Section D hereof.
- f. A Bidder who fails to meet the DBE goal and fails to demonstrate sufficient good faith efforts shall not be eligible to be awarded the contract. All documentation of good faith efforts by a Bidder must be included in the envelope or package containing the bid.
- g. MATA prohibits agreements between a Bidder and a DBE in which the DBE promise not to provide subcontracting quotations to other Bidders.

2. **Definitions**

- a. Disadvantaged Business Enterprise (DBE) means a small business concern (a) which is at least 51% owned by one or more socially and economically disadvantaged individuals, or, in the case of any publicly-owned business, at least 51% of the stock of which is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it.
- b. "Good Faith Efforts" means efforts to achieve a DBE contract goal as specified in 49 C.F.R., Part 26 and Section D hereof.
- c. "Joint Venture" means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Bidders may develop joint venture agreements as an instrument to provide participation by DBEs in contract work. A joint venture seeking to be credit for DBE participation may be formed among DBE firms or between a DBE firm and non-DBE firm.
- d. "Small Business Concern" means a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto, including

Title 13 C.F.R., Part 121, except that a small business concern shall not include any concern or group of concerns controlled by the small socially and economically disadvantaged individual or individuals which has annual average gross receipts in excess of \$16.6 million over the previous three (3) fiscal years, as such figure may thereafter be adjusted by the Secretary of the DOT.

- e. "Socially and Economically Disadvantaged Individuals" means any individual who is a citizen of the United States (or lawfully admitted permanent residents) and who is in the following groups, the members of which are rebuttably presumed to be socially and economically disadvantaged:
1. "Black Americans" (which includes persons having origins in any of the black racial groups of Africa);
 2. "Hispanic Americans" (which includes persons of Mexican, Puerto Rican, Cuban, Dominican, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race);
 3. "Native Americans" (which includes persons who are American Indians, Eskimos, Aleuts, or native Hawaiians);
 4. "Asian-Pacific Americans" (which includes persons whose origins are from Japan, China, Taiwan, Korea, Laos, Cambodia (Kampuchea), the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific (Republic of Palau), and the Commonwealth or the Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong; and
 5. "Subcontinent Asian-Indian Americans" which includes persons whose origins are from India, Pakistan, and Bangladesh, Bhutan, the Maldives Islands, Nepal or Sri Lanka.
 6. Women.
 7. Any additional groups whose members are designated as socially and economically disadvantaged by the Small Business Administration (SBA) at such time as the SBE designation becomes effective.
- f. "USDOT" or "DOT" refers to the U.S. Department of Transportation.

3. Counting DBE Participation Toward the Contract Goal

The inclusion of any DBE by the Bidder in its bid documents shall not conclusively establish the Bidder's eligibility for full DBE credit for the firms' participation in the contract. The Compliance Officer, DBE Program, will determine the amount of DBE participation credit based upon an analysis of the specific duties, which will be performed by the DBE.

The Bidder may count toward its DBE goal only expenditures to firms which are currently certified by the Uniform Certification Agency or the Tennessee Department of Transportation and which perform a commercially useful function. A firm is considered to perform a commercially useful function when it is responsible for the performance of a distinct element of the work and carries out its responsibilities by actually performing, managing, and supervising the work involved.

To evaluate whether the firm is performing a commercially useful function, the Compliance Officer, DBE Program will evaluate the amount of work subcontracted, industry practices, and

other relevant factors. The Compliance Officer, DBE Program reserves the right to deny or limit DBE credit to the Bidder where any DBE is found to be engaged in substantial pass-through activities with others.

DBE participation shall be counted toward the DBE goal in the contract as follows:

- a. Once a DBE is determined to be eligible in accordance with these rules, the total dollar value of the contract awarded to the DBE may be counted toward the DBE goal except as follows:
- b. A Bidder may count toward its DBE goal that portion of the total dollar value of a contract with an eligible joint venture equal to the distinct, clearly defined portion of the work of the contract that the DBE performs with its own forces.
- c. Consistent with normal industry practices, a DBE may enter into subcontracts. If a DBE prime contractor subcontracts more than thirty percent (30%) or a significantly greater portion of the work of the contract that would be expected on the basis of normal industry practices, the DBE shall be presumed not to be performing a commercially useful function. Evidence may be presented by the Bidder involved to rebut this presumption.
- d. When a DBE subcontracts a part of the work under the contract to another firm, the value of the subcontracted work may only be counted towards the DBE goal if the DBE's subcontractor is itself a DBE. Work that a DBE subcontracts to a non-DBE firm does not count toward the DBE goal.
- e. The Bidder may count one hundred percent (100%) of its expenditures for materials and supplies required under the contract and which are obtained from a DBE manufacturer toward the DBE goal. The Bidder may count sixty percent (60%) of its expenditures for materials and supplies under the contract obtained from a DBE regular dealer towards its DBE goal. The terms "manufacturer" and "regular dealer" are defined in 49 C.F.R. Part 26.55(e)(1)(ii) and (2)(iii).
- f. The Bidder may count towards its DBE goal expenditures to DBEs which are not manufacturers or regular dealers, such as fees or commissions charged for services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies and transportation charges as set forth in 49 C.F.R. Part 26. However, the Compliance Officer, DBE Program must determine the fee or charge to be reasonable and not excessive as compared with fees or charges customarily allowed for similar services.
- g. Bidder must use good business judgment when negotiating with subcontractors and take a DBE's price and capabilities into consideration. The fact that there may be some additional costs involved in finding and using DBE firms is not sufficient reason to fail to meet the DBE goal set forth in the contract, as long as such costs are reasonable.

4. DBE Substitutions

- a. Arbitrary changes by the Contractor of the commitments previously indicated in the Schedule of DBE participation are prohibited. No changes may be made to the DBE firms listed on this schedule after the opening of bids but prior to contract award. Further, after entering into each approved DBE subcontract, the Contractor shall neither terminate the subcontract, nor reduce the scope of the work to be performed by the DBE, nor decrease the price to the DBE, without receiving prior written approval of the Compliance Officer, DBE Program. Such approval is required even if the DBE agrees with the change to the DBE's contract desired by the Contractor.

- b. It may become necessary, at times, to substitute a new subcontractor in order to complete the contract work. The substitution procedure to be followed is:
1. The Contractor must immediately notify the Compliance Officer, DBE Program, in writing, of the proposed substitution of subcontractor. The Contractor's notification must include the specific reasons it intends to reduce the scope of or terminate a DBE subcontract; adequate documentation to support the Contractor's proposed action; and a proposed substitute firm to complete the DBE's portion of work.
 2. The following is a non-exclusive list of the types of reasons, which justify substitution: the DBE was found not to be able to perform, or not to be able to perform on time; the DBE's work product was not acceptable; the DBE demands an unreasonable escalation of its price.
 3. The following is a non-exclusive list of the types of reason which do not justify substitution: a replacement firm has been recruited by the Contractor to perform the same work under more advantageous terms; performance issues by the DBE were disputed and every reasonable effort to have the dispute resolved or mediated has not been taken; the DBE has requested a reasonable price escalation which may be justified due to unforeseen circumstances (e.g. a change in scope of DBE's work).
 4. If the subcontractor to be substituted for the DBE is not a DBE, the Contractor must show adequate good faith efforts as set forth in Section D hereof.
 5. The Contractor's request for approval of a substitution must include the name, address, and principal official of the proposed substitute subcontractor and the dollar value and scope of work of the proposed subcontract. If the new subcontractor is a DBE, all DBE affidavits and documents required by the contract shall be attached.
 6. MATA will evaluate the submitted documentation and respond within ten (10) business days to the request for approval of a substitution. MATA's response may approve the request, seek more information; request an interview to clarify the problem or reject the proposed DBE substitution, with the reasons for the rejection stated in MATA's response. In the case of an expressed emergency need to receive the necessary decision for the sake of job progress, MATA will respond as soon as practicable.
 7. Actual substitution by the Contractor may not be made prior to MATA approval. Once notified of MATA approval, the substitute subcontract must be executed within five (5) business days, and a copy submitted to the Compliance Officer, DBE Program.

5. Good Faith Efforts

In order to be responsive, a Bidder must make good faith efforts to meet the DBE participation goal set forth in the contract. The Bidder must document the good faith efforts it made in that regard. Thus, the Bid submitted to MATA must be accompanied by written documentation prepared by the Bidder evidencing all of its reasonable good faith efforts toward fulfilling the goal. These efforts must be active steps, ones that could reasonably be expected to lead to sufficient DBE participation to meet the contract DBE participation goal. Mere pro forma efforts are not acceptable and will be rejected by the Compliance Officer, DBE Program.

Good Faith Efforts require that the Bidder consider all qualified DBEs, who express an interest in performing work under the contract. This means that the Bidder cannot reject a DBE as unqualified unless the Bidder has sound reasons based on a thorough investigation of the DBE's capabilities. Further, the DBE's standing within its industry, membership in specific groups, organizations or associations and political or social affiliation; (for example, union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the Contractor's efforts to meet the contract DBE participation goal.

The following are illustrative of factors, which will be considered in judging whether or not the Bidder has made adequate good faith efforts:

- a. Attendance at any pre-bid meetings that were scheduled by MATA to inform DBEs of participation opportunities.
- b. Advertisement in general circulation, trade association, or minority and female-focused media concerning participation opportunities. Adequate time for advertisement and sufficient DBE response will be considered.
- c. Written notification to a reasonable number of specific DBEs that their participation in the contract is solicited in sufficient time to allow them to participate effectively.
- d. Follow-up of initial solicitations of interest by contacting DBEs to determine with certainty if they were interested.
- e. Documentation of efforts to negotiate with DBEs for specific sub-contracts including at a minimum:
 - i. The names, addresses, and telephone numbers of DBEs that were contacted and the date(s) of contract.
 - ii. A description of the information provided to the DBEs regarding the plans and specifications for portions of the work to be performed.
 - iii. A statement explaining why additional agreements with DBEs were not reached.
- f. For each DBE the Bidder contacted but rejected as unqualified, the reason for the Bidder's conclusion. This may include documentation of price comparisons. Receipt of a lower quotation from a non-DBE will not in itself excuse a Bidder's failure to meet the contract goal.
- g. Documentation of efforts made to assist the DBEs contacted that needed assistance in obtaining bonding or insurance required by the Bidder or MATA.
- h. Documentation of efforts to utilize the service of available minority community organizations or other organizations that provides assistance in the recruitment and placement of qualified DBEs.
- i. Documentation that the Bidder selected portions of the work likely to attract DBE participation (including dividing contracts into economically feasible units to facilitate participation).
- j. Evidence that adequate information was provided to interested DBEs about the plans, specifications and requirements of the contract, and that such information was communicated in a timely manner.

Any Bidder which MATA determines to have failed to fulfill the obligations of this section will be deemed non-responsive and will not be eligible for contract award.

MATA will not award a contract to any Bidder who does not meet the contract DBE participation goal or show good faith efforts to meet the goal. Thus, it is essential that all Bidders submit ALL relevant documentation concerning the DBE goal and/or good faith efforts in the envelope or package containing their sealed bid.

6. Procedure to Determine Bidder Compliance

The Bidder must complete and sign the Letter of Intent to Perform as a DBE. The Letter of Intent must also be signed by any DBEs (prime or subcontractor). A separate Letter of Intent must be included for each DBE included in the bid. It MUST be submitted with the sealed bid. In addition, any documentation evidencing the Bidder's good faith efforts to meet the contract DBE goal must be submitted with the bid. Any bids submitted without a completed and executed Letter of Intent and/or evidence of good faith efforts, if applicable, will be deemed non-responsive and will be rejected by MATA.

a. Letters of Certification

1. A copy of each proposed DBE firm's current Certificate of Certification from the Uniform Certification Agency or the Tennessee Department of Transportation (TDOT) should be attached to the Letter of Intent to Perform as a DBE. **A firm which is in the process of certification or which is not currently certified at the date the proposals are due cannot be counted as a DBE as set forth in 49 CFR Part 26.55.**
2. All DBEs are certified to perform work in a specific specialty or specialties. The DBE firm's scope of work set forth on the Letter of Intent and Schedule of DBE Participation must conform to its stated area of specialization.

b. Joint Ventures

1. Where the Bidder proposes to include in its bid a DBE, which is a joint venturer, the Bidder must submit a fully executed copy of the joint venture agreement with its bid. The joint venture agreement must show that the DBE firm will be responsible for a clearly defined portion of the work to be performed, and that the DBE firm's capital contribution, control, management, risks and profits are commensurate with its ownership interest.

Further, the proposed joint venture agreement shall include specific details related to: 1) contributions of capital and equipment; 2) work items to be performed by the DBEs own forces; 3) work items to be performed under the supervision of the DBE; 4) the DBE management, supervisory and operating personnel to be dedicated to the performance of the project; and 5) the authority of each joint venturer to contractually obligate the joint venture and to expend funds.

Failure to submit a copy of the joint venture agreement will cause the firm to be considered by MATA to be non-responsive.

7. Reporting Requirements During the Term of the Contract

- a. The Bidder shall, within five (5) business days of contract award, or prior to any work being performed, execute formal subcontracts or purchase orders with the DBE firms

included in the bid. These written agreements shall be made available to the Compliance Officer upon request. All contracts between the Bidder and its subcontractors must contain a prompt payment clause as set forth in Section 8 herein.

- b. During the term of the contract, the Bidder shall submit regular "DBE Subcontractor Payment Status Reports" in a form acceptable to MATA. The frequency with which these reports are to be submitted will be determined by the Compliance Officer but in no event will reports be required less frequently than quarterly. In the absence of written notice from the Compliance Officer, the Bidder's first "DBE Subcontractor Payment Status Report" will be due sixty (60) days after the date of contract award, with additional reports due monthly thereafter.
- c. The address for the Compliance Officer, DBE Program, is MATA, Attn: Chief Compliance Officer, ADA / DBE Administration, 1370 Levee Road, Memphis, TN 38108.

8. Prompt Payment to Subcontractors

- a. Prime Contractors are required to pay all subcontractors, both DBE and non-DBE, for all work which the subcontractor has satisfactorily completed, no later than ten (10) business days after the prime Contractor received payment from MATA.
- b. In addition, all retainage amounts must be returned by the prime Contractor to the subcontractor no later than fourteen (14) business days after the subcontractor has satisfactorily completed its portion of the contract work.
- c. A delay or postponement of payment to the subcontractor requires good cause and prior written approval of the Compliance Officer and the Project Manager.
- d. All prime Contractors are required to include, in each subcontract, a clause requiring the use of appropriate arbitration mechanisms to resolve all payment disputes.
- e. MATA will not reimburse Contractors for work performed unless and until the prime Contractor ensures that the subcontractors are promptly paid for the work they have performed to date as evidenced by the submittal of the "DBE Subcontractor Payment Status Report" with canceled checks/wire transfers as supporting documentation.
- f. MATA will consider failure to comply with these prompt payment requirements a contract violation, which may lead to any remedies permitted under law, including but not limited to, contract debarment.

9. Enforcement

- a. All Bidders are hereby advised that failure to carry out the requirements set forth above shall constitute a material breach of the contract, and after notification by MATA may result in rejection of the bid or bids; termination of the contract; a deduction from the contract funds due or to become due the contractor; or other such remedy as the MATA deems appropriate. Failure to comply with the DBE requirements shall include but not be limited to failure to meet the established goal, failure to submit documentation of good faith efforts; failure to exert a good faith effort (as determined by MATA) to meet any established DBE participation goal; failure to adhere to DBE substitution requirements; and failure to realize the DBE participation.
- b. If awarded the contract, the Bidder acknowledges and agrees that if MATA determines that the Bidder, a DBE or any other firm retained by the Bidder has failed to comply with the DBE Program requirements or federal or state DBE Program regulations, MATA,

through its Contracting Officer, shall have the sole authority and discretion to determine the extent of the monetary value to which the DBE contract goals have not been met, and to assess against and withhold monetary damages from the contractor in the full amount of that breach. MATA may impose any other remedies available at law or provided in the contract in the event of a contract breach. The Bidder further understands and agrees that this clause authorizes MATA, through MATA's Contracting Officer, to determine and fix the extent of the damages caused by a breach of any contractual or regulatory DBE Program requirement and that the damage assessment will be enforced in addition to, and not in lieu of, any other damages or remedy provisions in the contract. By entering into a contract, the Bidder irrevocably agrees to such an assessment of damages for DBE Program purposes and authorizes MATA to make such an assessment of damages against the Bidder and to collect that assessment from any sums due the Bidder under the contract, or any other contract, or by other legal process. The Bidder makes this certification, agreement and authorization on behalf of itself, its subcontractors and suppliers, and the bid bond and contract bond sureties.

- c. The decision of the Contracting Officer shall be final and conclusive unless, within ten (10) days from the receipt, in writing, of such decision, the Bidder mails or otherwise furnishes to the Contracting Officer an appeal, in writing, addressed to the Chief Executive Officer of MATA. The Chief Executive Officer shall review the dispute, related documents and the Contracting Officer's decision. The Chief Executive Officer may consult with MATA's project manager, the Contracting Officer or any other person deemed necessary by the Chief Executive Officer. The decision of the Chief Executive Officer shall be final and conclusive unless, within 10 days from the date of the receipt of such decision, in writing, the Bidder mails or otherwise furnishes to the Contracting Officer an appeal, in writing, addressed to the Board of the Memphis Area Transit Authority. The decision of the Board or its duly authorized representative for the determination of such appeal shall be final and conclusive unless in proceedings initiated by either party for review of such decision in a court of competent jurisdiction, the Court determines the decision to have been fraudulent, or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith or is not supported by substantial evidence. In connection with any appeal proceeding under this section, the Bidder shall be afforded an opportunity to be heard and to offer evidence in support of its appeal. Pending final decision of a dispute hereunder, the Bidder shall proceed diligently with the performance of the contract and in accordance with the Contracting Officer's decision.

ATTACHMENT 1

GENERAL CONTRACT PROVISIONS

**MEMPHIS AREA TRANSIT AUTHORITY (MATA)
GENERAL CONTRACT PROVISIONS**

1. Non-Collusion - The Bidder guarantees that the Bid submitted is not a product of collusion with any other Bidder and no effort has been made to fix the Bid price of any Bidder or to fix any overhead, profit, or cost element of any Bid price. An Affidavit of Non-Collusion, as per attached format, must be signed and submitted with Bid. (Exhibit I).
2. Bid Acceptance - Each Bid will be submitted with the understanding that the acceptance, in writing by purchaser of the offer to furnish any or all of the items described herein, shall constitute a Contract between the Bidder and the purchaser, which shall bind the Bidder on his part to furnish and deliver at his Bid price and in accordance with said accepted Bid and specifications.
3. Pricing - The price to be quoted in any Bid submitted shall include all labor, materials, tools, equipment, and other costs necessary to fully complete the project in accordance with the specifications. Anything omitted from such specifications which is clearly necessary for the completion of the item and its appurtenances shall be considered a portion of such Bid item although not directly specified or called for in these specifications. All material shall be new and in no case will used, reconditioned, or obsolete material be accepted unless otherwise specified. Bidder should note discounts, if any. Freight charges must be included in Bid price.
4. Terms of Payment - Payment for the specified items shall be net 30 days after approval of an acceptable invoice. Bidder should note any discounts for payment before 30 days.
5. Acceptance of Material - If the item is not acceptable; MATA will furnish a letter of non-acceptance detailing the deficiencies within 30 days after delivery. Acceptance of delivery of an item shall not release the CONTRACTOR from liability for faulty workmanship or materials appearing even after final payment has been made.
6. Approved Equal -
 - a. In all cases, materials must be furnished as specified. Where brand names or specific items are used in the specifications, consider the term "or approved equal" to follow.
 - b. Any unapproved deviations, exceptions, substitutions, alternates, or conditional qualifications contained in a Bid may be cause for its rejection.
 - c. If a potential Bidder feels that his product is an equal to the product specified, he must submit a written request to MATA.
 - d. Requests for approved equals, clarification of specifications, and protest of specifications must be received by **MATA, IN WRITING, NO LATER THAN 11:00 A.M. WEDNESDAY, AUGUST 13, 2025, TO ALLOW ANALYSIS OF THE REQUEST.** Any request for an approved equal or protest of the specifications must be fully supported with catalog information, specifications, and illustrations or other pertinent information as evidence that the substitute offer is equal to or better than the specifications' requirement. Where an approved equal is requested, the CONTRACTOR must demonstrate the quality of his product to the Authority and must furnish sufficient information to enable the Authority to determine whether the CONTRACTOR's product is or is not equal to that specified. Such requests may be emailed to Ashley Best at abest@matatransit.com.
 - e. MATA's replies to requests under paragraph (d) above will be post-marked at least 14 days before the due date for submitting Bids.
 - f. A notice of approved equals shall be furnished to all parties receiving specifications so that all Bidders may prepare their Bid accordingly.
 - g. Appeal from the decisions of MATA to approve or disapprove approved equal status shall be submitted in writing to the Chief Executive Officer, MATA, 40 S. Main Street, Suite 1200, Memphis, TN 38103, not later than five days from the date of MATA's decision. The appeal

shall, at a minimum, identify the decision in question, specify all reasons why the appealing party disagrees with the decision, and shall include all facts and justification, including technical information, in support of its position. The Chief Executive Officer may request additional information from the appealing party, and information or a response from the Bidders, which shall likewise be submitted in writing to the Chief Executive Officer not later than 10 days from the date of MATA's request. So far as practicable, appeals will be decided upon the basis of the written appeal, information and written response submitted by the appealing party and other Bidders; all parties are urged to make written submissions as complete as possible. Failure of any party to timely respond to a request for information may be deemed by MATA that such party does not desire to participate in the proceeding, does not contest the matter, or does not desire to submit a response; and, in such event, the appeal will proceed and will not be delayed due to the lack of a response. Upon receipt and review of written submissions and any independent investigation deemed appropriate by MATA, the Chief Executive Officer shall either (a) render a decision which shall be final and advise all interested parties of same in writing, or (b) at the sole election of the Chief Executive Officer, conduct an informal hearing at which the interested participating parties will be afforded an opportunity to present their respective positions and facts, documents, justification, and technical information in support thereof. Parties may, but are not required to, be represented by counsel at the informal hearing, which will not be subject to formal rules of evidence or procedure. Following the informal hearing, the Chief Executive Officer shall render a decision, which shall be final and advise all interested parties thereof in writing.

- h. Changes in the specifications will be made by written addendum by MATA and will be forwarded to all persons and firms to whom Bid documents have been furnished.

7. Bid Withdrawal -

- a. Each and every Bidder who submits his Bid specifically waives any right to withdraw it except as hereinafter provided. Bidders will be given permission to withdraw any Bid after it has been deposited with MATA, provided any Bidder makes its request by telephone, or in writing, 24 hours before the time Bids are due. Requests pertaining to withdrawals by telephone must be confirmed in writing by the Bidder and must reach the Office of the Chief Executive Officer of MATA not later than one hour prior to the time fixed for submission of Bids.
- b. No Bidder may withdraw his Bid within 90 days after the date Bids are due.

8. Bid Rejection - MATA reserves the right to waive any minor Bid informalities or irregularities received which do not go to the heart of the Bid or prejudice other Bidders, or to reject, for good and compelling reasons, any and all Bids submitted. Conditional Bids, or those, which take exception to the specifications, may be considered non-responsive and may be rejected.

9. Tax Exemption – MATA is exempt from payment of all Federal, State, and local taxes in connection with the project. Said taxes must not be included in Bid prices. MATA will provide necessary tax exemption certificate to manufacturer, if requested.

10. Bid Evaluation -

- a. Consideration will be given to Bidder's previous experience, price, financial responsibility of Bidder, responsiveness to these specifications, including level of participation of DBEs.
- b. Bidders may be required to submit duplicate sworn statements of their financial responsibility, technical qualifications, and performance record before a Contract can be awarded to them.
- c. MATA reserves the right to award Bids singularly or collectively on any of the Bid items.
- d. The Contract shall be awarded according to Section 5.0 of Section A.

11. Bid Price Form - If MATA includes a Bid Price Form in the RFP, Bids must be submitted on the form provided. Each item should be listed separately on the form. Bids submitted in any other form may be considered non-responsive and may be rejected. Bids may be submitted on any or all items in this Bid request.

12. Protest Procedures - Protests may be made by prospective Bidders whose direct economic interest would be affected by the award of a Contract, or by failure to award a Contract. MATA will consider all protests requested in a timely manner regarding the award of a Contract, whether submitted before or after an award. All protests are to be submitted in writing to the Contracting Officer, Memphis Area Transit Authority, 40 S. Main Street, Suite 1200, Memphis, TN 38103. Protest submissions should be concise, logically arranged, and clearly state the grounds for the protest. Protests must include at least the following information:

1. Name, address, and telephone number of protestor.
2. Identification of the solicitation or Contract Number.
3. A detailed statement of the legal and factual grounds of protest, including copies of relevant documents.
4. A statement as to what relief is requested.

Protests must be submitted to MATA in accordance with these procedures and time requirements. Protests must be complete and contain all issues that the protestor believes relevant.

- a. Bid protests alleging restrictive specifications or improprieties which are apparent prior to proposal closing time or receipt of proposals must be submitted in writing to the Contracting Officer and must be received seven days prior to Bid closing time or receipt of Bids. If the written protest is not received by the time specified, Bids may be received, and award may be made in the normal manner unless the Contracting Officer determines that remedial action is required. Oral protests not followed up by a written protest will be disregarded. The Contracting Officer may request additional information from the appealing party and information or a response from other Bidders, which shall likewise be submitted in writing to the Contracting Officer not later than ten days from the date of MATA's request. So far as practicable, appeals will be decided upon the basis of the written appeal, information, and written response submitted by the appealing party and other Bidders; all parties are urged to make written submissions as complete as possible. Failure of any party to timely respond to a request for information may be deemed by MATA that such party does not desire to participate in the proceeding, does not contest the matter, or does not desire to submit a response; and, in such event, the protest will proceed and will not be delayed due to the lack of a response. Upon receipt and review of written submissions and any independent investigation deemed appropriate by MATA, the Contracting Officer shall either (a) render a decision, or (b) at the sole election of the Contracting Officer, conduct an informal hearing at which the interested participating parties will be afforded an opportunity to present their respective positions and facts, documents, justification, and technical information in support thereof. Parties may, but are not required to, be represented by counsel at the informal hearing, which will not subject to formal rules or evidence or procedures. Following the informal hearing, the Contracting Officer shall render a decision, which shall be final and advise all interested parties thereof in writing but no later than 10 days from the date of the informal hearing.
- b. Bid protest against the making of an award by the MATA Board must be submitted in writing to the Contracting Officer and received by the Contracting Officer within seven days of the award by the MATA Board. The process for resolving protests listed above in Section (a) will be followed for any protest received under this section.

Notice of the protest and the basis therefore will be given to all prospective Bidders. In addition, when a protest against the making of an award by the MATA Board is received and it is determined to withhold the award pending disposition of the protest, the Bidders whose Bids might become eligible for award shall be requested before expiration of the time for acceptance, to extend or withdraw the Bid.

Where a written protest against the making of an award is received in the time specified, award will not be made prior to seven days after resolution of the protest unless MATA

determines that:

1. The item(s) to be procured or service to be performed is urgently required.
2. Delivery or performance will be unduly delayed by failure to make award promptly; or,
3. Failure to make award will otherwise cause undue harm to MATA or the Federal Government.

- c. Protests made after contract award shall be received no later than seven calendar days afterwards. Protests received after award will be reviewed by the Contracting Officer and MATA's General Counsel.

In instances where the award has been made, the CONTRACTOR shall be furnished with the notice of the protest and the basis therefore. If the CONTRACTOR has not executed the Contract as of the date the protest is received by MATA, the execution of the Contract will not be made prior to seven days after resolution of the protest unless MATA determines that:

1. The item(s) to be procured or service to be performed is urgently required;
2. Delivery or performance will be unduly delayed by failure to make award promptly; or,
3. Failure to make award will otherwise cause undue harm to MATA or the Federal Government.

The process for resolving protests listed above in Section (a) will be followed for any protest received under this section.

- d. Appeals and requests for reconsideration of the determination of the Contracting Officer of protests under (a), (b) and (c) must be submitted to the Chief Executive Officer and received within seven days after the date of the written determination by the Contracting Officer. The Chief Executive Officer may request additional information from the appealing party and information or a response from other Bidders, which shall likewise be submitted in writing to the Chief Executive Officer not later than 10 days from the date of MATA's request. So far as practicable, appeals will be decided upon the basis of the written appeal, information, and written response submitted by the appealing party and other Bidders; all parties are urged to make written submissions as complete as possible. Failure of any party to timely respond to a request for information may be deemed by MATA that such party does not desire to participate in the proceeding, does not contest the matter, or does not desire to submit a response; and, in such event, the appeal will proceed and will not be delayed due to the lack of a response. Upon receipt and review of written submissions and any independent investigation deemed appropriate by MATA, the Chief Executive Officer shall either (a) render a decision, or (b) at the sole election of the Chief Executive Officer, conduct an informal hearing at which the interested participating parties will be afforded an opportunity to present their respective positions and facts, documents, justification, and technical information in support thereof. Parties may, but are not required to, be represented by counsel at the informal hearing, which will not be subject to formal rules of evidence or procedures. Following the informal hearing, the Chief Executive Officer shall render a decision, which shall be final and advise all interested parties thereof in writing but no later than 10 days from the date of the informal hearing.
- e. Under certain limited circumstances, an interested party may protest to the Federal Transit Administration (FTA) the award of a Contract pursuant to an FTA grant. FTA's review of any protest will be limited to:

1. Alleged failure of MATA to have written protest procedures or alleged failure to follow such procedures.

2. Alleged violations of a specific Federal requirement that provides an applicable complaint procedure, which shall be submitted and processed in accordance with that Federal regulation.
- f. Protestors shall file a protest with FTA not later than five working days after a final decision of MATA's Chief Executive Officer is rendered under the MATA protest procedure. In instances where the protestor alleges that MATA failed to make a final determination on the protest, the protestor shall file a complaint with FTA not later than five Federal working days after the protestor knew or should have known of MATA's failure to render a final determination on the protest.
- g. Submission of Protest to FTA
 1. Protests shall be filed with the appropriate FTA Regional Office with a concurrent copy to MATA.
 2. The protest filed with FTA shall:
 - (i) Include the name and address of the protestor.
 - (ii) Identify MATA project number and the number of the Contract Solicitation.
 - (iii) Contain a statement of the grounds for the protest and any supporting documentation. This should detail the alleged failure to follow protest procedures or the alleged failure to have procedures and be fully supported to the extent possible.
 - (iv) Include a copy of the local protest filed with MATA and a copy of the MATA decision, if any.
13. Correspondence -The Bidder is required to show on all correspondence with MATA and FTA, the following: IFB No. 26-01 communication with MATA should be forwarded directly to Ashley Best, Sr. Contract Administrator at MATA, 40 S. Main Street, Suite 1200, Memphis, TN 38103 or emailed to abest@matatransit.com.
14. Contract Subletting - No Contract may be assigned, sublet, or transferred without the written consent of MATA.
15. Miscellaneous -
 - a. CONTRACTOR warrants that it has not been paid any bonus or commission for the purpose of obtaining this Contract.
 - b. Except as otherwise set forth herein, this Contract shall be governed and construed in accordance with the laws of the State of Tennessee. All actions, whether sounding in contract or in tort, relating to the validity, construction, interpretation, and enforcement of this Contract shall be instituted and litigated in the courts of the State of Tennessee located in Shelby County, Tennessee, and in no other. In accordance herewith, the parties to this Contract submit to the jurisdiction of the courts of the State of Tennessee, located in Shelby County, Tennessee.
 - c. The failure of MATA at any time to insist upon a strict performance of any terms, conditions, and covenants herein shall not be deemed a waiver of any subsequent breach or default of the terms, conditions, and covenants herein contained.
 - d. CONTRACTOR shall not assign any interest or obligation in this Contract, and CONTRACTOR shall not transfer any interest in the same (whether by assignment or novation), without the prior written consent of MATA.
 - e. Any proposed change or modification of this Contract shall be submitted in writing to MATA for its prior approval. All changes shall be by written agreement of MATA and CONTRACTOR.
 - f. The CONTRACTOR acknowledges that MATA is managed and operated by RATP Dev.

(RATP). The CONTRACTOR shall cooperate with and abide by the instructions of MATA and RATP personnel.

16. Extent of Agreement -

- a. The Bid submitted by the CONTRACTOR is incorporated herein by reference as fully set forth verbatim herein. In the event of conflict between this Contract and Bid, the provisions of this Contract shall control.
- b. This Contract, except as set forth in the preceding paragraph, represents the entire and integrated Agreement between MATA and the CONTRACTOR, and supersedes all prior negotiations, statements, instructions, and representations or agreements, whether written or oral. This Contract may not be modified, amended, or assigned except by written agreement duly signed by both parties.
- c. At the election of MATA, the invalidity or illegality of any provisions of this Contract, other than arising from the fiscal inability of MATA to pay the compensation due to the CONTRACTOR as same becomes due, as determined by a court of last resort of competent jurisdiction, shall not affect the validity of the remainder of this Contract, and this Contract shall remain in full force and effect as if such illegal or invalid provisions were not contained herein.

17. Compliance with Applicable Law -

- a. In the performance of its obligations pursuant to this Contract, the CONTRACTOR shall comply with all applicable provisions of Federal, State, and local law in any manner effecting the conduct of the work and all prohibitive orders and instructions issued by the State and Federal Government regarding fortifications, military, and naval establishments and other areas.
- b. To accommodate changing Federal requirements, the CONTRACTOR agrees that Federal requirements may change, and the changed requirements will apply to the project as required, unless the Federal Government determines otherwise. All standards or limits within FTA's Master Agreement are minimum requirements, unless modified by FTA.
- c. The CONTRACTOR agrees to comply with FTA Circular 4220, "Third Party Contracting Requirements", any revisions or replacement thereof, and applicable Federal regulations or requirements, including FTA third party contracting regulations when promulgated.

18. Audit and Inspection -

- a. The CONTRACTOR shall permit MATA, the Secretary, and Comptroller General of the United States or any of their duly authorized representatives access to all CONTRACTOR records as they request for audits and inspections related to any Contract not awarded on the basis of competitive procurement procedures for a capital or improvement project, as needed for compliance with 49 U.S.C § 5325(a). The CONTRACTOR shall permit said persons to inspect all work materials, payrolls, and other data with regard to the project, and to audit the books, records, and accounts pertaining to such Contracts with regard to the project. The CONTRACTOR shall provide sufficient access to contract records as needed for compliance with federal regulations or to assure proper project management as determined by FTA.
- b. The CONTRACTOR shall maintain documentation for all charges against MATA under this Contract. The books, records, and documents of the CONTRACTOR, insofar as they relate to work performed or money received under the Contract, shall be maintained in conformity with generally accepted accounting principles for a period three full years from the date of final payment, and shall be subject to audit, at any reasonable time upon reasonable notice, by MATA, the State of Tennessee or the Comptroller of the Treasury or their duly appointed representatives, or a licensed independent public accountant.

Further, the records shall be maintained for a period not less than that recommended in the Uniform Manual for Development Districts of Tennessee, published by the Comptroller of the Treasury, State of Tennessee, but not less than three years from the date of final payment.

- c. In the event any Federal or State agency audits MATA, the CONTRACTOR shall provide whatever records, information, and assistance as MATA may reasonably require.
 - d. The CONTRACTOR shall provide information and assistance requested by MATA for progress reports required of MATA by Federal or State Government, or agencies.
19. Equal Employment Opportunity - In the performance of its duties hereunder, the CONTRACTOR shall not discriminate against any employee or applicant for employment because of disability, race, color, age, creed, sex, religion or national origin. The CONTRACTOR shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their disability, race, color, religion, sex, age, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR shall insert the foregoing provisions (modified only to show the particular contractual relationship) in all subcontracts, except subcontracts for standard commercial supplies or raw materials.
20. Interests of Federal and State Governmental Officials -
- a. No member of or delegate to the Congress of the United States shall be admitted to any share or part of this Contract, or to any benefit arising therefrom.
 - b. No part of the proceeds hereof shall be paid directly or indirectly to any officer or employee of the State of Tennessee as wages, compensation or gifts in exchange for acting as officer, agent, employee, subcontractor, or consultant to MATA in connection with any work contemplated or performed relative to this Contract.
21. Environmental Requirements -
- a. Environmental Protection. The CONTRACTOR agrees to comply with all applicable requirements of the National Environmental Policy Act of 1969, as amended, 42 U.S.C. §§ 4321 *et seq.* Consistent with Executive Order No. 11514, as amended, "Protection and Enhancement of Environmental Quality," 42 U.S.C. § 4321 note; FTA statutory requirements on environmental matters at 49 U.S.C. § 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 C.F.R. Part 1500 *et seq.*; and joint FHWA/FTA regulations, "Environmental Impact and Related Procedures," 23 C.F.R. Part 771 and 49 C.F.R. Part 622.
 - b. Air Quality. The CONTRACTOR agrees to comply with all applicable regulations, standards, or orders implementing the Clean Air Act, as amended, 42 U.S.C. §§ 7401 *et seq.* as follows:
 - 1. The CONTRACTOR agrees to comply with applicable requirements of U.S. Environmental Protection Agency (EPA) regulations, "Conformity to State or Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act", 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. To support the requisite air quality conformity finding for the Project, the CONTRACTOR agrees to implement each air quality mitigation and control measure incorporated in the Project. The CONTRACTOR agrees that any Project identified in an applicable State Implementation Plan (SIP) as a Transportation Control Measure will be wholly consistent with the design concept and scope of the Project described in the SIP.
 - 2. U.S. EPA also imposes requirements implementing the Clean Air Act, as

amended, that may apply to transit operators, particularly operators of large transit bus fleets. Thus, the CONTRACTOR should be aware that the following U.E. EPA regulations may apply to its Project: "Control of Air Pollution from Motor-Vehicles and Motor-Vehicle Engines", 40 C.F.R. Part 85; "Control of Air Pollution from New and In-Use Motor Vehicles and New and In-Use Motor Vehicle Engines: Certification and Test Procedures," 40 C.F.R. Part 86; and "Fuel Economy of Motor Vehicles," 40 C.F.R. Part 600.

3. The CONTRACTOR agrees to comply with the notification of violating facilities provisions of Executive Order No. 11738, "Administration of the Clean Air Act and the Federal Water Pollution Control Act with Respect to Federal Contracts, Grants, or Loans," 42 U.S.C. § 7606 note.
- c. Clean Water. The CONTRACTOR agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§ 1251 *et seq.* Among other things:
 1. The CONTRACTOR agrees to protect underground sources of drinking water consistent with the provisions of the Safe Drinking Water Act of 1974, as amended, 42 U.S.C. §§ 300h *et seq.*
 2. The CONTRACTOR agrees to comply with the notification of violating facilities provisions of Executive Order No. 11738, "Administration of the Clean Air Act and the Federal Water Pollution Control Act with Respect to Federal Contracts, Grants, or Loans", 42 U.S.C. § 7606 note.
 - d. Use of Public Lands. The CONTRACTOR agrees that no publicly owned land from a park, recreation area, or wildlife or waterfowl refuge of national, State, or local significance as determined by the Federal, State, or local officials having jurisdiction thereof, or any land from a historic site of national, State, or local significance may be used for the Project unless the FTA makes the specific findings required by 49 U.S.C. § 303.
 - e. Wild and Scenic Rivers. The CONTRACTOR agrees to comply with the Wild and Scenic Rivers Act of 1968, as amended, 16 U.S.C. §§ 1271 *et seq.* relating to protecting components of the national wild and scenic rivers system.
 - f. Coastal Zone Management. The CONTRACTOR agrees to assure Project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972, as amended, 16 U.S.C. §§ 1451 *et seq.*
 - g. Wetlands. The CONTRACTOR agrees to comply with the protections for wetlands in accordance with Executive Order No. 11990, as amended, "Protection of Wetlands," 42 U.S.C. § 4321 note.
 - h. Floodplains. The CONTRACTOR agrees to comply with the flood hazards protections in floodplains in accordance with Executive Order No. 11988, as amended, "Floodplain Management" 42 U.S.C. § 4321 note.
 - i. Endangered Species. The CONTRACTOR agrees to comply with the protections for endangered species of the Endangered Species Act of 1973, as amended, 16 U.S.C. §§ 1531 *ET seq.*
 - j. Historic Preservation. The CONTRACTOR agrees to facilitate compliance with Federal historic and archaeological preservation requirements of Section 106 of the National Historic Preservation Act, as amended, 16 U.S.C. § 470f; Executive Order No. 11593, "Protection and Enhancement of the Cultural Environment," 16 U.S.C. § 470 note; and the Archaeological and Historic Preservation Act of 1974, as amended, 16 U.S.C. §§ 469a-l *et seq.* as follows:
 1. In accordance with Advisory Council on Historic Preservation regulations, "Protection of Historic and Cultural Properties," 36 C.F.R. Part 800, MATA agrees to consult with the State Historic Preservation Officer concerning investigations to identify properties and resources included in or eligible for inclusion in the

National Register of Historic Places that may be affected by the Project, and agrees to notify FTA of any such properties that will be affected.

2. The CONTRACTOR agrees to comply with all Federal requirements to avoid or mitigate adverse effects on those historic properties.
- k. Environmental Justice. The CONTRACTOR agrees to comply with the policies of Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 42 U.S.C. § 4321 note.
- l. Mitigation of Adverse Environmental Effects. Should the Project cause or result in adverse environmental effects, the CONTRACTOR agrees to take all reasonable steps to minimize those effects as required by 49 U.S.C. § 5324(b), and any other applicable Federal laws and regulations, including 23 C.F.R. Part 771 and 49 C.F.R. Part 622. The CONTRACTOR agrees to implement all environmental mitigation measures that may be identified as commitments in applicable environmental documents (such as environmental assessments, environmental impact statements, memoranda of agreement, and documents required by 49 U.S.C. § 303) and agrees to comply with any conditions the Federal Government might impose in a finding of no significant impact or a record of decision. The CONTRACTOR agrees that those mitigation measures are incorporated by reference and made part of the Contract. As soon as the Federal Government and the CONTRACTOR reach agreement on any deferred mitigation measures, the CONTRACTOR agrees that those measures will then be incorporated by reference and made part of the Contract. The CONTRACTOR agrees that any mitigation measures agreed upon by MATA and the Federal Government may not be modified or withdrawn without the express written approval of the Federal Government.
22. Energy Conservation - The CONTRACTOR shall comply with mandatory energy efficiency standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321 *et seq.*)
23. **Patent Rights – (Applicable to Contracts For Planning, Research, Development and/or Demonstration Projects Only)**
 - a. General. If any invention, improvement, or discovery by the CONTRACTOR at any tier of the project is conceived or first actually reduced to practice in the course of or under the Project, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the CONTRACTOR agrees to notify MATA immediately and provide a detailed report in a format satisfactory to MATA.
 - b. Federal Rights. The CONTRACTOR agrees that its rights and responsibilities pertaining to that invention, improvement, or discovery will be determined in accordance with applicable Federal laws, regulations, including any waiver thereof. Absent a determination in writing to the contrary by the Federal Government, the CONTRACTOR agrees to transmit to MATA those rights due the Federal Government in any invention, improvement, or discovery resulting from the contract as specified in U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," 37 C.F.R. Part 401 (implementing 35 U.S.C. §§ 200 *et seq.*), irrespective of the status of MATA or the CONTRACTOR at any tier of the Project (i.e., a large business, small business, State government or State instrumentality, local government, nonprofit organization, institution of higher education, individual, etc.)
 - c. License Fees and Royalties. FTA considers income earned from license fees and royalties for patents, patent applications, and inventions produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the CONTRACTOR has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 *et seq.*, which applies to patent rights developed under a research project.

24. Rights in Data and Copyrights Requirements

- a. Definition. The term “subject data” used in this Section 23 means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the contract. Examples include, but are not limited to: computer software, standards, specifications, engineering drawings and associated lists, process sheets, manuals, technical reports, catalog item identifications, and related information. “Subject data” does not include financial reports, cost analyses, or similar information used for contract administration.
- b. Federal Restrictions. The following restrictions apply to all subject data first produced in the performance of the contract:
 - 1. Except for its own internal use, the CONTRACTOR may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may the CONTRACTOR authorize others to do so without the written consent of the Federal Government, until such time as the Federal Government may have either released or approved the release of such data to the public.
 - 2. The restriction on publication of Subsection 23.b. (1) of this contract, however, does not apply to a contract with an institution of higher learning.
- c. Federal Rights in Data and Copyrights. MATA and the CONTRACTOR agree to provide to the Federal Government a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for Federal Government proposes the “subject data” described in Subsections 23.c. (1) and 23.c. (2) of this CONTRACT. As used herein, “for Federal Government purposes,” means use only for the direct purposes of the Federal Government. Without the copyright owner’s consent, the Federal Government may not provide or otherwise extend to other parties of the Federal Government’s license to:
 - 1. Any subject data developed under the contract, whether or not a copyright has been obtained; and
 - 2. Any rights of copyright to which MATA and/or the CONTRACTOR purchase ownership with Federal assistance.
- d. Special Federal Rights in Data for Research, Development, Demonstration, and Special Studies (Planning) Projects. In general, FTA’s purpose in providing financial assistance for a special studies (planning), research, development, or demonstration Project is to increase transportation knowledge, rather than limit the benefits of the Project to participants in the Project. Therefore, unless FTA determines otherwise, MATA agrees that, in addition to the rights in data and copyrights of SubSection 23.c of this contract, FTA may make available to MATA or the CONTRACTOR, either FTA’s license in the copyright to the subject data or a copy of the subject data. If the Project is not completed for any reason whatsoever, all data developed under the Project shall become subject data as defined in SubSection 23.a of this contract and shall be delivered as the Federal Government may direct. This SubSection 23.d. of this CONTRACT, however, does not apply to adaptations of automatic data processing equipment or programs for MATA’s use when the costs thereof are financed with Federal funds for capital projects.
- e. Hold Harmless. Except as prohibited or otherwise limited by State law, upon request by the Federal Government, MATA and the CONTRACTOR agree to indemnify, save, and hold harmless the Federal Government and its officers, agents and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by MATA or the CONTRACTOR of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under this contract. MATA nor the CONTRACTOR shall be required to indemnify the Federal Government for any such liability caused by the wrongful acts of Federal employees or agents.

- f. Restrictions on Access to Patent Rights. Nothing in this Section 23 of this contract pertaining to rights in data shall imply a license to the Federal Government under any patent or be construed to affect the scope of any license or other right otherwise granted to the Federal Government under any patent.
- g. Statutory Requirements to Release Data. To the extent required by U.S. DOT regulations, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organization," at 49 C.F.R. § 19.36(d), or by subsequent Federal laws or regulations, MATA and the CONTRACTOR understand and agree that the data and information submitted to the Federal Government may be required to be released in accordance with the provisions of the Freedom of Information Act (or another Federal statute providing access to such records).
25. Vendor Responsibility - It is the intent of these specifications to provide for goods of first quality and the workmanship must be the best obtainable in the various trades. The design of the goods, which the manufacturer proposes to furnish, must be of substantial and durable construction in all respects. No advantage shall be taken by the Bidder or manufacturer in the omission of any part or detail, which goes to make the product complete and ready for installation and use.
- The vendor shall assume responsibility for all materials used in the Bid item whether the vendor manufactures the same or purchased ready-made from a source outside the vendor's company.
26. References - Bidder shall provide with his Bid at least five references for projects similar to that described in this Invitation for Bid. The following must be provided: company name, address and telephone number, fax number, a contact person, and the dates of the contract. The references given should be on contracts within a 12-month period prior to the Bid due date.
27. Delivery - Bids shall provide for delivery of all parts or equipment to MATA, 1370 Levee Road, Memphis, TN 38108, unless stated otherwise in Sections A or B.
28. Delivery Schedule - Hours of delivery shall be any weekday between 8:30 a.m. and 4:00 p.m., unless stated otherwise in Section A or B.
29. Preference for United States Products and Services.

To the extent applicable, the CONTRACTOR agrees to comply with the following U.S. preference requirements:

- a. Buy America. The CONTRACTOR agrees to comply with 49 U.S.C. § 5323(j), FTA regulations, "Buy America Requirements," 49 C.F.R. Part 661, and implementing guidance FTA may issue. A Buy America certificate (Exhibit II), as per attached format, must be completed and submitted with the Bid or the Bid will be considered non-responsive.

Construction materials used in the Project are subject to the domestic preference requirement of the Build America, Buy America Act, Pub. L. 117-58, div. G, tit. IX, §§ 70911 – 70927 (2021), as implemented by the U.S. Office of Management and Budget, the U.S. Department of Transportation, and FTA. The Recipient acknowledges that this agreement is neither a waiver of § 70914(a) nor a finding under § 70914(b).

Separate requirements for rolling stock are set out at 49 U.S.C. 5323(j)(2)(C), 49 U.S.C. § 5323(u) and 49 C.F.R. § 661.11. Domestic preferences for procurements

The bidder or offeror must submit to the Agency the appropriate Buy America certification. Bids or offers that are not accompanied by a completed Buy America certification will be rejected as nonresponsive. For more information, please see the FTA's Buy America webpage at: <https://www.transit.dot.gov/buyamerica>

A waiver from the Buy America provision may be sought by MATA if grounds for the waiver exist. Section 165a of the Surface Transportation Assistance Act of 1982 permits FTA's participation in this Contract only if iron, steel and manufactured products used in

the Contract are produced in the United States. This applies to procurements of \$150,000 and over.

- b. Cargo Preference—Use of United States-Flag Vessels. The CONTRACTOR agrees to comply with U.S. Maritime Administration regulations, “Cargo Preference—U.S.-Flag Vessels,” 46 C.F.R. Part 381, to the extent those regulations apply to the Project. Specifically, the CONTRACTOR agrees:
 - 1. To utilize privately owned United States-Flag Commercial vessels to ship at least 50% of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, materials, or commodities pursuant to this section, to the extent such vessels are available at fair and reasonable rates to United States-Flag Commercial vessels.
 - 2. To furnish within 30 days following the date of loading for shipments originating within the United States, or within 30 working days following the date of loading for shipment originating outside the United States, a legible copy of a rated, On-Board Commercial Ocean Bill-Of-Lading in English for each shipment of cargo described in paragraph one above to MATA (through the prime CONTRACTOR in the case of subcontractor Bills-of-Lading) and to the Division of National Cargo, Office of Market Development, Maritime Administration, 400 Seventh Street, S.W., Washington, DC 20590, marked with appropriate identification of the project.
 - c. Fly America. The CONTRACTOR understands and agrees that the Federal Government will not participate in the costs of international air transportation of any persons involved in or property acquired for the Project unless that air transportation is provided by U.S.-flag air carriers to the extent service by U.S.-flag air carriers is available, consistent with the requirements of the International Air Transportation Fair Competitive Practices Act of 1974, as amended, 49 U.S.C. § 40118, and U.S. General Services Administration (U.S. GSA) regulations “Use of United States Flag Air Carriers,” 41 C.F.R. §§ 301.131 through 301.143.
30. Debarment, Suspension, and Other Responsibility Matters - Unless otherwise permitted by law, any person that is debarred, suspended, or voluntarily excluded may not take part in a federally covered transaction, either as participant or a principal, during the period of debarment, suspension, or voluntary exclusion. Accordingly, neither FTA nor MATA may enter into any transaction with such debarred, suspended or voluntarily excluded persons during such period.
- A certification process has been established by 49 CFR, Part 29 as a means to ensure that debarred, suspended, or voluntarily excluded persons do not participate in a federally assisted project. Each CONTRACTOR and subcontractor must provide to MATA a signed certification in compliance with 49 CFR, Part 29 as part of this Contract. (Exhibit III)
31. Prohibited Interests - No member, officer, or employee of MATA or the City of Memphis during his or her tenure or one year thereafter shall have interests, direct, or indirect in this Contract or the proceeds thereof, or if a conflict, real or apparent, as defined in MATA's Code of Ethics, would be involved.
32. Copeland “Anti-Kickback” Act, as amended. The CONTRACTOR shall comply with the Copeland “Anti-Kickback” Act, 18 U.S.C. 874 and 40 U.S.C. 276c, and U.S. Department of Labor (DOL) regulations, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in part by Loans or Grants from the United States”, 29 C.F.R. Part 3. In addition to other requirements that may apply:
- a. The CONTRACTOR will not induce, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which that employee is otherwise entitled.
 - b. MATA agrees to report every suspected or reported violation of the Copeland “Anti-Kickback” Act or its Federal implementing regulations to FTA.

33. Termination of Contract -

- a. MATA may terminate this Contract without cause by giving fifteen (15) days written notice to the CONTRACTOR thereof and specifying the effective date of termination.

If the Contract is terminated by MATA as provided herein, the CONTRACTOR will be paid for its satisfactory services completed through the date of termination specified by MATA.

- b. If, through any cause, the CONTRACTOR shall fail to fulfill in timely and proper manner its obligations under this Contract, or shall violate any of the covenants, agreements, or stipulations of this Contract, MATA shall thereupon have the right to terminate this Contract by giving written notice to the CONTRACTOR for such termination and specifying the effective date of such termination. In the event of termination, the CONTRACTOR shall be entitled to just and equitable compensation for any satisfactory work through the date of termination specified by MATA.
- c. In the event of default by the CONTRACTOR, MATA shall be entitled to all of its reasonable expenses, and its costs to include, but not limited to its reasonable attorney's fees incurred by reason of such default.
- d. In addition to the foregoing, MATA reserves the right to cancel any services or portion of services to be provided hereunder upon written notice to the CONTRACTOR specifying the canceled services and the effective date of such cancellation. In the event of such cancellation, the CONTRACTOR shall be compensated for satisfactory work completed and, further, the compensation due to the CONTRACTOR hereunder shall be reduced accordingly effective said cancellation date.

34. Employment of Contractor - MATA hereby agrees to engage the CONTRACTOR and the CONTRACTOR hereby agrees to perform the services hereafter set forth in connection with the project.

35. Interest of the Contractor - The CONTRACTOR covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Contract. The CONTRACTOR further covenants that in the performance of this Contract no person having any such interest shall be employed.

36. Independent Contractor - The CONTRACTOR is at all times an independent contractor and in no wise shall be deemed to be in joint venture, partnership, or other relationship with MATA.

37. Indemnification - The CONTRACTOR shall indemnify, save, defend, and hold MATA, the City of Memphis, TN, First Transit, Inc. and MTM, their officers, agents and employees free from all losses, damages, claims, and expenses in any wise arising or resulting from the actions and omissions of the CONTRACTOR, its employees, agents, or contractors in the performance of its services hereunder.

38. Cost Analysis - MATA reserves the right to conduct a cost or price analysis for any purchase. MATA may be required to perform a cost analysis when competition is lacking for any purchase. Sole source procurements or procurements where Bids are received will be subject to a cost analysis which will include the appropriate verification of cost data, the evaluation of specific elements of costs and the projection of the data to determine the effect on Bid prices. MATA may require a pre-award audit, and potential contractors shall be prepared to submit data relevant to the proposed work which will allow MATA to sufficiently determine that the proposed price is fair, reasonable, and in accordance with Federal, State, and local regulations. Procurements requiring Bids will be treated as a negotiated procurement and MATA reserves the right to negotiate with a single Bidder and/or all Bidders in the competitive range to achieve a fair and reasonable price. If any of the parties cannot agree upon a negotiated price, MATA reserves the right to reject any or all Bids.

Contract change orders or modifications will be subject to a cost analysis.

39. False or Fraudulent Statements or Claims - The CONTRACTOR acknowledges and agrees that:
- a. The Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 *et seq.* and U.S. Department of Transportation (DOT) regulations "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its activities in connection with the Project. Accordingly, by executing the Contract, the CONTRACTOR certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, or it may make in connection with the Project covered by the Contract. In addition to other penalties that may apply, the CONTRACTOR also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the CONTRACTOR to the extent the Federal Government deems appropriate.
 - b. If it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government in connection with an urbanized area formula project financed with Federal assistance authorized by 49 U.S.C. § 5307, the Government reserves the right to impose on the CONTRACTOR the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1), to the extent the Federal Government deems appropriate.
40. No Contingency Fees - The CONTRACTOR shall warrant that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the CONTRACTOR for the purpose of securing business, for the breach or violation of which warranty MATA shall have the right to annul said Contract without liability or, in its discretion, to deduct from the Contract price or consideration the full amount of such commission, percentage, brokerage or contingent fee.
41. Excluded Facilities - The CONTRACTOR shall comply with the provisions of 40 CFR Part 15 which prohibit the use of facilities included on the EPA list of violating facilities.
42. Federal Changes - The CONTRACTOR shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Agreement (Form FTA Master Agreement (18) dated October 1, 2011) between Purchaser and FTA, as they may be amended or promulgated from time to time during the term of this contract. The Contractor's failure to so comply shall constitute a material breach of this contract.
43. Lobbying Requirements - Federal regulations require MATA to include certifications from contractors. Accordingly, the CONTRACTOR must sign the attached certification. (Exhibit IV)

By executing this Contract, the CONTRACTOR certifies to the best of its knowledge and belief that:

- a. No Federal appropriated funds have been paid or will be paid on behalf of the undersigned to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the CONTRACTOR shall complete and submit Office of Management and Budget Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

- c. The CONTRACTOR shall insert the language of this certification in all subcontracts and require that all subcontractors at any tier shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure. This applies to procurements of \$100,000 or more.

44. Recycled Products

The CONTRACTOR agrees to comply with all the requirements of Section 6002 of the Resource Conservation and Recovery Act (RCRA), as amended (42 U.S.C. 6962), including but not limited to the regulatory provisions of 40 CFR Part 247, and Executive Order 12873, as they apply to the procurement of the items designated in SubPart B of 40 CFR Part 247.

45. No Government Obligation

- a. MATA and the CONTRACTOR acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to MATA, CONTRACTOR, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.
- b. The CONTRACTOR agrees to include the above clause in each subcontract. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

46. Incorporation of Federal Transit Administration (FTA) Terms

The preceding provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Master Agreement (18), dated October 1, 2011, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The CONTRACTOR shall not perform any act, fail to perform any act, or refuse to comply with any MATA requests, which would cause MATA to be in violation of the FTA terms and conditions.

47. Access Requirements for Persons with Disabilities. The CONTRACTOR agrees to comply with the requirements of 49 U.S.C. § 5301(d) which expresses the Federal policy that the elderly and persons with disabilities have the same right as other persons to use mass transportation service and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement those policies. The CONTRACTOR also agrees to comply with all applicable requirements of Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of handicaps, and with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101 *et seq.*, which requires the provision of accessible facilities and services, and with the following Federal regulations, including any amendments thereto:

- a. U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 C.F.R. Part 37;
- b. U.S. DOT regulations "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," 49 C.F.R. Part 27;
- c. Joint U.S. Architectural and Transportation Barriers Compliance Board/U.S. DOT regulations, "Americans with Disabilities (ADA) Accessibility Specifications for Transportation Vehicles," 36 C.F.R. Part 1192 and 49 C.F.R. Part 38;

- d. U.S. Department of Justice (DOJ) regulations, "Nondiscrimination on the Basis of Disability in State and Local Government Services," 28 C.F.R. Part 35;
 - e. U.S. DOJ regulations, "Nondiscrimination on the Basis of Disability by Public Accommodations and in Commercial Facilities," 28 C.F.R. Part 36;
 - f. U.S. General Services Administration (GSA) regulations, "Accommodations for the Physically Handicapped," 41 C.F.R. Subpart 101-19;
 - g. U.S. Equal Employment Opportunity Commission, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. Part 1630;
 - h. U.S. Federal Communications Commission regulations, "Telecommunications Relay Services and Related Customer Premises Equipment for the Hearing and Speech Disabled," 47 C.F.R. Part 64, Subpart F; and
 - i. FTA regulations, "Transportation for Elderly and Handicapped Persons," 49 C.F.R. Part 609; and
 - j. Any implementing requirements FTA may issue.
48. Disputes, Breaches, Defaults or Other Litigation.
- a. Except as otherwise provided in this Contract, any dispute concerning a question of fact arising under this Contract which is not disposed of by agreement shall be decided by the Contracting Officer, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to the CONTRACTOR. The Contracting Officer may consult with the Construction Manager if one has been appointed for this project. The decision of the Contracting Officer shall be final and conclusive unless, within 10 days from the receipt of such copy, the CONTRACTOR mails or otherwise furnishes to the Contracting Officer a written appeal addressed to the Chief Executive Officer of MATA. The Chief Executive Officer shall review the dispute, related documents and the Contracting Officer's Final Decision. The Chief Executive Officer may consult with the Construction Manager and the Contracting Officer. The decision of the Chief Executive Officer shall be final and conclusive unless, within 10 days from the date of the receipt of such copy, the CONTRACTOR mails or otherwise furnishes to the Contracting Officer a written appeal addressed to the Board of the Memphis Area Transit Authority. The decision of the Board or its duly authorized representative for the determination of such appeals shall be final and conclusive unless in proceedings initiated by either party for review of such decision in a court of competent jurisdiction, the Court determines the decision to have been fraudulent, or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith, or is not supported by substantial evidence. In connection with any appeal proceeding under this Article, the CONTRACTOR shall be afforded an opportunity to be heard and to offer evidence in support of his appeal. Pending final decision of a dispute hereunder, the CONTRACTOR shall proceed diligently with the performance of the Contract and in accordance with the Contracting Officer's decision.
 - b. This Section 48 does not preclude consideration of questions of law in connection with decisions provided for in Paragraph a. above. Nothing in this Contract, however, shall be construed as making final the decisions of the Board or its representative on a question of law.
48. Title VI of the Civil Rights Act of 1964. The CONTRACTOR will comply and will assure the compliance by subcontractors under this Project with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (49 U.S.C. Section 2000d), the Regulations of DOT issued thereunder, 40 C.F.R. Part 21 and the assurances by MATA pursuant thereto.
49. Disadvantaged Business Enterprises - To the extent authorized by Federal law, the CONTRACTOR agrees to facilitate participation by Disadvantaged Business Enterprises (DBEs) in the Project and assures that each subcontractor, lessee, third party contractor, or other participant at any tier of the Project will facilitate participation by DBEs in the Project to the extent

applicable as follows:

- a. The CONTRACTOR agrees and assures that it shall comply with Section 1101(b) of SAFETEA-LU, 23 U.S.C. § 101 note, and U.S. DOT regulations, "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs," 49 C.F.R. Part 26.
 - b. The CONTRACTOR agrees and assures that it shall not discriminate on the basis of race, color, sex, or national origin in the award and performance of any subcontract, lease, third-party contract, or other arrangement supported with Federal assistance derived from U.S. DOT in the administration of its Contract and shall comply with the requirements of 49 C.F.R. Part 26. The CONTRACTOR agrees to take all necessary and reasonable steps as set forth in 49 C.F.R. Part 26 to ensure nondiscrimination in the award and administration of all subcontracts, leases, third-party contracts, and other arrangements supported with Federal assistance derived from U.S. DOT.
51. Prompt Payment - The CONTRACTOR agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 10 days from receipt of each payment the prime contractor receives from MATA. The CONTRACTOR agrees further to return retainage payments to each subcontractor within 10 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of MATA. This clause applies to both DBE and non-DBE subcontractors. If the CONTRACTOR determines the work to be unsatisfactory, it must notify MATA's Contracting Officer, Project Manager and DBE Liaison Officer immediately, in writing, and state the reasons. Failure to comply with this requirement will be construed to be a breach of contract and subject to contract termination.
 52. Nondiscrimination in Federal Public Transportation Programs - The CONTRACTOR agrees to comply, and assures the compliance of each subcontractor, lessee, third party contractor, or other participant at any tier of the Project, with the provisions of 49 U.S.C. § 5332, which prohibit discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or business opportunity.
 53. Contract Work Hours and Safety Standards Act - The CONTRACTOR agrees to comply, and assures the compliance of each subcontractor, lessee, third party contractor, and other participant at any tier of the Project, with the employee protection requirements for non-construction employees of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. §§ 3701 *et seq.*, in particular with the wage and hour requirements of Section 102 of that Act at 40 U.S.C. § 3702, and with implementing U.S. DOL regulations, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Non-construction Contracts Subject to the Contract Work Hours and Safety Standards Act)," 29 C.F.R. Part 5.
 54. National Intelligent Transportation Systems Architecture and Standards - To the extent applicable, the CONTRACTOR agrees to conform to the National Intelligent Transportation Systems (ITS) Architecture and Standards as required by SAFETEA-LU § 5307(c), 23 U.S.C. § 512 note, and follow the provisions of FTA Notice, "FTA National ITS Architecture Policy on Transit Projects," 66 *Fed. Reg.* 1455 *et seq.*, January 8, 2001, and any other implementing directives FTA may issue at a later date, except to the extent FTA determines otherwise in writing.
 55. Seismic Safety (Applicable to Design and/or Construction Contracts Only) - The CONTRACTOR agrees to comply with the Earthquake Hazards Reduction Act of 1977, as amended, 42 U.S.C. §§ 7701 *et seq.*, with Executive Order No. 12699, "Seismic Safety of Federal and Federally-Assisted or Regulated New Building Construction," 42 U.S.C. § 7704 note, and with U.S. DOT regulations, "Seismic Safety," 49 C.F.R. Part 41, (specifically, 49 C.F.R. § 41.117), and any implementing guidance FTA may issue.
 56. Environmental Justice. The CONTRACTOR agrees to facilitate compliance with the policies of Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority

Populations and Low-Income Populations," 42 U.S.C. § 4321 note; and DOT Order 5620.3, "Department of Transportation Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 62 *Fed. Reg.* 18377 *et seq.*, April 15, 1997, except to the extent that the Federal Government determines otherwise in writing.

57. Veterans Employment. Recipients and sub-recipients of Federal Financial assistance under this chapter shall ensure that contractors working on a capital project funded using such assistance give a hiring preference, to the extent practicable, to veterans (as defined in Section 2108 of Title 5) who have the requisite skills and abilities to perform the construction work required under the contract. This subsection shall not be understood, construed or enforced in any manner that would require an employer to give preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or former employee.

58. Program Fraud and False or Fraudulent Statements And Related Acts

The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 *et seq.* and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. part 31, apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. chapter 53, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5323(l) on the Contractor, to the extent the Federal Government deems appropriate.

The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

59. Access to Records and Reports

- a. Record Retention. The Contractor will retain, and will require its subcontractors of all tiers to retain, complete and readily accessible records related in whole or in part to the contract, including, but not limited to, data, documents, reports, statistics, leases, subcontracts, arrangements, other third-party Contracts of any type, and supporting materials related to those records.
- b. Retention Period. The Contractor agrees to comply with the record retention requirements in accordance with 2 C.F.R. § 200.334. The Contractor shall maintain all books, records, accounts and reports required under this Contract for a period of at not less than three (3) years after the date of termination or expiration of this Contract, except in the event of litigation or settlement of claims arising from the performance of this Contract, in which case records shall be maintained until the disposition of all such litigation, appeals, claims or exceptions related thereto.
- c. Access to Records. The Contractor agrees to provide sufficient access to FTA and its contractors to inspect and audit records and information related to performance of this contract in accordance with 2 CFR § 200.337.
- d. Access to the Sites of Performance. The Contractor agrees to permit FTA and its contractors access to the sites of performance under this contract in accordance with

60. Changes to Federal Requirements

Federal requirements that apply to the Recipient or the Award, the accompanying Underlying Agreement, and any Amendments thereto may change due to changes in federal law, regulation, other requirements, or guidance, or changes in the Recipient's Underlying Agreement including any information incorporated by reference and made part of that Underlying Agreement; and

Applicable changes to those federal requirements will apply to each Third-Party Agreement and parties thereto at any tier.

61. Safe Operation of Motor Vehicles

Seat Belt Use

The Contractor is encouraged to adopt and promote on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company rented vehicles, or personally operated vehicles. The terms "company-owned" and "company-leased" refer to vehicles owned or leased either by the Contractor or Agency.

Distracted Driving

The Contractor agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Contractor owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the work performed under this Contract.

62. Trafficking in Persons

The contractor agrees that it and its employees that participate in the Recipient's Award, may not:

- (a) Engage in severe forms of trafficking in persons during the period of time that the Recipient's Award is in effect;
- (b) Procure a commercial sex act during the period of time that the Recipient's Award is in effect; or
- (c) Use forced labor in the performance of the Recipient's Award or sub-agreements thereunder.

63. Federal Tax Liability and Recent Felony Convictions

(1) The contractor certifies that it:

- (a) Does not have any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and
- (b) Was not convicted of the felony criminal violation under any Federal law within the preceding 24 months.

If the contractor cannot so certify, the Recipient will refer the matter to FTA and not enter into any Third Party Agreement with the Third Party Participant without FTA's written approval.

(2) Flow-Down. The Recipient agrees to require the contractor to flow this requirement down to participants at all lower tiers, without regard to the value of any sub-agreement.

64. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment.

- a) Recipients and sub-recipients are prohibited from obligating or expending loan or grant funds to:
 - 1) Procure or obtain;

- 2) Extend or renew a contract to procure or obtain; or
- 3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).
 - (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).
 - (ii) Telecommunications or video surveillance services provided by such entities or using such equipment.
 - (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.
- b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.
- c) See Public Law 115-232, section 889 for additional information.
- d) See also § 200.471.

65. Protection of Sensitive and Personally Identifiable Information

Authority - FTA Master Agreement, FY2020 Section 36(c), US DOT Common Rules Applicability - all contracts

Contractors and sub-contractors must implement reasonable measures to safeguard protected personally identifiable information as well as any information that the FTA or pass-through entity designates as sensitive.

66. Davis Bacon Act and Copeland Anti-Kickback Act

For all prime construction, alteration or repair contracts in excess of \$2,000 awarded by FTA, the Contractor shall comply with the Davis-Bacon Act and the Copeland "Anti-Kickback" Act. Under 49 U.S.C. § 5333(a), prevailing wage protections apply to laborers and mechanics employed on FTA assisted construction, alteration, or repair projects. The Contractor will comply with the Davis-Bacon Act, 40 U.S.C. §§ 3141-3144, and 3146-3148 as supplemented by DOL regulations at 29 C.F.R. part 5, "Labor Standards Provisions Applicable to Contracts

Governing Federally Financed and Assisted Construction." In accordance with the statute, the Contractor shall pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Contractor agrees to pay wages not less than once a week. The Contractor shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by DOL regulations at

29 C.F.R. part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in part by Loans or Grants from the United States." The Contractor is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

67. Bond Requirements

For construction or facility improvement contracts or subcontracts exceeding the Simplified Acquisition Threshold, the Federal awarding agency or pass-through entity may accept the bonding policy and requirements of the non-Federal entity provided that the Federal awarding agency or pass-through entity has made a determination that the Federal interest is adequately protected. If such a determination has not been made, the minimum requirements must be as follows:

(a) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other

negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified.

(b) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's requirements under such contract.

(c) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

It is also understood and agreed that if the bidder should withdraw any part or all

of their bid within [90] days after the bid opening without the written consent of the Agency, or refuse or be unable to enter into this Contract as provided above, or refuse or be unable to furnish adequate and acceptable Performance and Payment Bonds, or refuse or be unable to furnish adequate and acceptable insurance, as provided above, it shall forfeit its bid guaranty to the extent Agency's damages occasioned by such withdrawal, or refusal, or inability to enter into a Contract, or provide adequate security thereof.

It is further understood and agreed that to the extent the defaulting bidder's bid guaranty shall prove inadequate to fully recompense Agency for the damages occasioned by default, then the bidder agrees to indemnify Agency and pay over to Agency the difference between the bid guarantee and Agency's total damages so as to make Agency whole.

The bidder understands that any material alteration of any of the above or any of the material contained herein, other than that requested will render the bid unresponsive.

Performance Guarantee. A Performance Guarantee in the amount of 100% of the Contract value is required by the Agency to ensure faithful performance of the Contract. Either a Performance Bond or an Irrevocable Stand-By Letter of Credit shall be provided by the Contractor and shall remain in full force for the term of the Contract. The successful Bidder shall certify that it will provide the requisite Performance Guarantee to the Agency within ten (10) business days from Contract execution. The Agency requires all Performance Bonds to be provided by a fully qualified surety company acceptable to the Agency and listed as a company currently authorized under 31 C.F.R. part 22 as possessing a Certificate of Authority as described hereunder. Agency may require additional performance bond protection when the contract price is increased. The increase in protection shall generally equal 100 percent of the increase in contract price. The Agency may secure additional protection by directing the Contractor to increase the amount of the existing bond or to obtain an additional bond.

If the Bidder chooses to provide a Letter of Credit as its Performance Guarantee, the Bidder shall furnish with its bid, certification that an Irrevocable Stand-By Letter of Credit will be furnished should the Bidder become the successful Contractor. The Bidder shall also provide a statement

from the banking institution certifying that an Irrevocable Stand-By Letter of Credit for the action will be provided if the Contract is awarded to the Bidder. The Irrevocable Stand- By Letter of Credit will only be accepted by the Agency if:

1. A bank in good standing issues it. The Agency will not accept a Letter of Credit from an entity other than a bank.
2. It is in writing and signed by the issuing bank.
3. It conspicuously states that it is an irrevocable, non-transferable, "standby" Letter of Credit.
4. The Agency is identified as the Beneficiary.
5. It is in an amount equal to 100% of the Contract value. This amount must be in U.S. dollars.
6. The effective date of the Letter of Credit is the same as the effective date of the Contract
7. The expiration date of the Letter of Credit coincides with the term of the contract.
8. It indicates that it is being issued in order to support the obligation of the Contractor to perform under the Contract. It must specifically reference the Contract between the Agency and the Contractor the work stipulated herein.

The issuing bank's obligation to pay will arise upon the presentation of the original Letter of Credit and a certificate and draft to the issuing bank's representative at a location and time to be determined by the parties. This documentation will indicate that the Contractor is in default under the Contract.

Payment Bonds. A Labor and Materials Payment Bond equal to the full value of the contract must be furnished by the contractor to Agency as security for payment by the Contractor and subcontractors for labor, materials, and rental of equipment. The bond may be issued by a fully qualified surety company acceptable to (Agency) and listed as a company currently authorized under 31 C.F.R. part 223 as possessing a Certificate of Authority as described thereunder.

68. Special DOL EEO Clause for Construction Projects **(Applicable to Projects greater than \$10,000)**

The applicant hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any

Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any

employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or

pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

69. Construction Site Safety

The Contractor and sub-contractors agree that it will comply with all federal laws, regulations, and requirements providing protections for construction employees involved in the Project or related activities, including the: (i) Section 107 of the Contract Work Hours and Safety Standards Act, as amended, 40 U.S.C. § 3704, and other relevant parts of that Act, 40 U.S.C. § 3701 et seq.; and (ii) U.S. DOL regulations, "Recording and Reporting Occupational Injuries and Illnesses,"

29 C.F.R. part 1904; "Occupational Safety and Health Standards," 29 C.F.R. part 1910; and "Safety and Health Regulations for Construction," 29 C.F.R. part 1926.

** Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$17.75) or 13658 (\$13.30). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 are not currently being enforced as to any contract or subcontract to which the states of Texas, Louisiana, or Mississippi, including their agencies, are a party.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this

contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a

weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the "SA" identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination

- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.
