CALL TO ORDER: A regular meeting of the MATA Board of Commissioners was called to order by Acting Chair, John Vergos at 3:30 p.m. on Tuesday, March 26, 2019 at 1370 Levee Road Board Room.

BOARD ROLL CALL:

Present: John Vergos; Shelia Williams; Martin Lipinski; Tommy Pacello; Michael Fulton; Kristen Bland

Absent: Janice Holder; Robert Clark; Roquita Williams

Quorum: Yes

Staff: Lawson Albritton, Senior Administrative Officer; Linda Eskridge, Executive Office Manager; Nicole Lacey, Chief Communications Officer; John Lancaster, Director of Planning & Scheduling; Maury Miles, Director of Grants and Procurement; Alvin Pearson, Chief Operations Officer; Gary Rosenfeld, Chief Executive Officer; Bernhard Rudolph, Chief Financial Officer

Guests: Nicole Bowen, PCA for Pearly Bowen, MATAplus Customer; David Bouchard, Blind Traveler; Jonte Bouchard, Blind Traveler; Wingfield Bouchard, Constituent; Bill Brunt, Conduent; James Collins, Kimley-Horn; Alison Donald, MCIL; Alan Dow, MICAH; Steven Edwards, City of Memphis; Bobby Fields, MCIL; Beauregard Frierson, Rider; Charles Johnson, MBRU; James Johnson, Small Planet Works; Kenneth Monroe, Kimley-Horn; Johnnie Mosley, Citizens for Better Services; Nicholas Oyler, City of Memphis; Betty Robinson, MBRU; Sandy Sweagelsky, MICAH

Minutes of the February 26, 2019 Board Meeting were unanimously approved.

CEO Report – Gary Rosenfeld

- Trolley #799, made possible by a grant from City of Memphis, is still in testing mode on Main Street.
 - Two MATA videos were produced, with the help of Nicole Lacey and her team, the MATA Matters and the Call to Action videos. The videos were handed out to the Legislators at the TPTA Day on the Hill on March 11-13, 2019. MATA had an opportunity to meet with Brian Kelsey, a representative from this area, as well as Becky Massey, who is Chair of the Senate Transportation Safety Committee.
 - MATA's Legislation that we needed to see happen this year has passed, and Gary believes that it has been signed by the governor. This is regarding recovered property and has to do with our Transit passes that we will be getting into when we issue the TAP cards.
-

MEMPHIS AREA TRANSIT AUTHORITY

1370 Levee Road

Memphis, TN 38108

Telephone: 901-722-7100 www.matatransit.com

- Daily Memphian featured a nice article regarding MATA on March 15th and some of our regular customers were involved in the article. There was ongoing dialogue between MATA and our potential funding partners.
- Mr. Rosenfeld traveled to Washington, DC to the federal Legislation on March 17-19. There were several speakers who spoke about federal policies and practices.
- The president's budget for 2020 has \$250MM mark-up for bus capital and facilities, which is great. We really need to work hard to protect that.
- Congressman Cohen joined the Congressional Bus Caucus, of which there is about 20 members. One of the focuses on the Bus Caucus bus and bus facilities
- We had a great joint meeting between Memphis City Council and Shelby County Board of Directors, and we thank those Board Members that were able to be there for support. MATA's presentation went well, and we feel that it is clearly on the agenda for the City Council, Shelby County Commission, and both Mayors.
- MATA will hold a Job Fair on March 28 & 29 from 10:00am-2:00pm at the corner of Watkins and Levee Roads.

On Time Performance:

- 16 bus operators; 13 Trolley operators, again the trolley is doing well and coming up on the first anniversary; 30 MATApplus operators all with 90% or above for OTP. Gary congratulated all those operators.
- Gary gave an update on the Statistic report on all modes of transportation. These are quality stats and things are trending nicely.
Mr. Pacello asked if we could set targets for the customer comments where we would like to see them be, which might help us understand where we are in relation to where we would like to be. Mr. Rosenfeld stated that if we have adequate data that's reliable goals and objectives could be addressed as a result of that. Mr. Pacello stated that even if we go back to all the matrix, we need to set a target of what we are trying to hit. Mr. Rosenfeld agrees, and stated this is a discussion to have with our Service and Development Committee and get more input on this.
- Gary updated the Board on future events and conferences that he will be attending.

Consent Agenda Items

a) Resolution to Approve Minor Service Change Policy – Res. No. 19-10

Discussion: Mr. Rosenfeld presented this resolution to the Board. This resolution is to allow staff to make minor service changes without having to go through the entire six-month process. Sometimes we need the ability to make immediate actions if it doesn't affect a huge number of revenue hours or doesn't affect the delivery of service but would allow us to make minor changes that keep us in a certain boundary. The goal is to try to not have these types of errors but sometimes they happen. Staff is seeking the ability to be able to make minor corrections, and we will always report these corrections to the Board.

MEMPHIS AREA TRANSIT AUTHORITY

1370 Levee Road

Memphis, TN 38108

Telephone: 901-722-7100 www.matatransit.com

This would allow us the ability to make these things happen in a timely fashion. Mr. Rosenfeld gave an example of a minor change. *Mr. Pacello moved that the resolution be put on the floor for discussion. Mr. Fulton seconded the motion.* Mr. Rosenfeld stated as we move forward and begin preparing for the June service adjustments, if there are some needs to make some minor adjustments, they would not have to wait until November. **Resolution No. 19-10 Passed.**

b) Resolution to Amend MATA's FY19 Section 5339 Bus and Bus Facilities Capital Grant Budget
– Res. 19-11

Discussion: Mr. Rosenfeld presented this resolution to the MATA Board. MATA received our apportionment for 5339 funds coming from the federal government for Bus and Bus Facilities and we are making the minor adjustments to the federal share coming in. The distribution of the money is \$1.32MM from the federal share, \$165,000 from the state and local share is \$165,000 for a total of \$1.650MM. We also, on occasion, can secure discretionary grants in the 5339 but that's a whole separate process. This is MATA's federal apportionment for 2019. *Mr. Pacello moved that the resolution be put on the floor for discussion, Mr. Fulton seconded the motion.* Mr. Vergos asked if this local share has been approved in this year's capital budget prospectively, and if we were going to get that money we would not have to go back. Mr. Rosenfeld stated that it is in this year's budget and we are in the process for 2020. We have already submitted the 2020 CIP budgets and it should be coming up for approval soon. **Resolution No. 19-11 Passed.**

Service and Development Items

a) Resolution to Award a Contract for the Engineering and Design of the Memphis Innovation Corridor Project - Res. No. 19-12

Discussion: Mr. Rosenfeld presented this resolution to the MATA Board. This is our BRT project and was the subject of our Bill Grant application last year. MATA will be applying for the grant again this year. We hope to see the notice of funding opportunity come out on that within the next six to eight weeks. This would give us even better scoring capability because we will be into actual architectural engineering for the project and moves them to the next step. *Mr. Pacello moved that the resolution be put on the floor for discussion. Ms. Williams seconded the motion.* Mr. Lipinski asked for more detail on what's included in the \$7MM. Mr. Rosenfeld presented everything that was included in the \$7MM to the Board. The overall cost for the project is about \$65MM total, so we are in a reasonable amount. Mr. Fulton asked whether we have a list of firms on the Review committee. Mr. Steven Edwards, City Engineers office stated there were only two submissions, Kimley-Horn, which is up for awards, and the other was WSB whose main office is in Nashville. The group that was chosen was the group that had more local ties, able to work with the local communities, and had a higher goal for meeting minority and women-owned businesses. Mr. Vergos asked if this same purpose on this corridor can be accomplished by just buying four or five more buses, hiring four or five more drivers and running more regularly on that route other than just going with this overall capital expenses of \$65M for a bus route.

MEMPHIS AREA TRANSIT AUTHORITY

1370 Levee Road

Memphis, TN 38108

Telephone: 901-722-7100 www.matatransit.com

Mr. Rosenfeld stated the short answer is yes, it can be done, but the whole idea of the scope of this project is to do some major street improvements and then to introduce and have the stations necessary for BRT work. Mr. Rosenfeld stated that it is not projected to be the number one route. Mr. Pacello stated as part of the scope of the planning and engineering thinking about the impact on the adjacent real estate along the corridors, and whether we are creating best and full opportunities to be along the bus line as part of the design of the BRT. Mr. Edwards stated that part of the road infrastructure funding is grants awarded to the city that we are flexing over to MATA so part of the roadway infrastructure money that is going into signals and lights, street lights will be changed. Everything from pedestrian right of way through the roadway will be modified. It will probably be the most transforming of road projects this city has ever had. Mr. Pacello asked is the land use piece covered in the 3.0 project. Mr. Edwards stated it is covered in 3.0 but of course 3.0 is a much broader scale. **The Resolution Passed.**

Procurement Agenda Item(s)

- a) Resolution to Award a Contract to Tyler Technologies, Inc. for a Hosted Enterprise Resource Planning and Enterprise Asset Management (ERP/EAM) System - Res. 19-13

Discussion: Mr. Rosenfeld presented this resolution. This is the other half of our Next Generation Fare box equipment. This will modernize our inhouse systems, bring them all together, make sure they communicate with each other, allow us to get data in and out of them easily so that we can share the data, be able to create a dashboard on the website and be able to speed up the process of approval in our system. The goal of the project is the speed up of the delivery of information and bring us into the 21st Century. *Ms. Bland moved that the resolution be put on the floor for discussion. Ms. Williams seconded the motion. The Resolution Passed.*

- b) Resolution to Award a Contract to A&B Construction Company, Inc. for Section 5310 - City of Memphis Overton Park Sidewalk Improvement Project – Res. No. 19-14

Discussion: Mr. Rosenfeld presented this resolution. This is the next segment of our ongoing program to improve sidewalk access along our system. This contract was awarded to A&B Construction Company the lowest responsive bidder in the amount of \$176,246.16. A&B is a 100% DBE firm and they have participated with us on several projects done along this route. Staff is requesting Board approval on the award to A&B Construction Company. *Mr. Fulton moved that the resolution be moved to the floor for discussion. Ms. Bland seconded the motion.* Mr. Lipinski asked why MATA must pay for this instead of City of Memphis general funding. Mr. Rosenfeld stated that we use 5310 dollars for this which improves the access for people in wheelchairs to our system, so it is a joint effort between the City and MATA. **The Resolution Passed.**

MEMPHIS AREA TRANSIT AUTHORITY

1370 Levee Road

Memphis, TN 38108

Telephone: 901-722-7100 www.matatransit.com

Financial Agenda Item(s)

Financial Report

Bernhard Rudolph, CFO

Mr. Rudolph stated we are at \$29.7MM on Revenues and are tracking right on budget. We are \$100,000 short on Revenue, but expenses are right on budget. Passenger Fares are tracked like the passenger count, so it is off for the month. On a cash basis we have enough to carry us through until the Bridge Loan comes through, which is supposed to go to Council next week. We are a little tighter than we would like to be, but we will make it through. Mr. Rosenfeld stated that the Bridge Loan referred to is the annual difference that the city makes up between the timing of us receiving our federal funds on an annual basis and the expenditures. Mr. Miles is doing a great job getting the grant applications in so the federal money should start flowing soon.

Speaker(s) Acknowledgement

1) David Bouchard, 3555 Poplar Ave., Memphis, TN 38111

Mr. Bouchard was visiting Memphis from Portland, OR. He talked about his experiences with the services since he has been in Memphis. Mr. Bouchard commended Mr. Kenny Payne, MATA Road Supervisor, who did a fantastic job this morning (3/26/19) on Line 35 during a bus breakdown. Mr. Payne pulled up within that five-minute window of the bus arrival with a couple of passengers in his van and he stated that Mr. Payne went above and beyond his duties in his opinion. Mr. Bouchard stated that he dropped it off at his destination. Mr. Bouchard stated that on the routes that run every 1 ½ to 2 hours maybe performance can be improved by introducing some sort of flex service model in that, maybe deviating a bit from that fixed route it may attract more riders and help boost your frequency. He also mentioned that he went out to Germantown and got caught off guard with the .85 cents surcharge. He feels there should be a better way to communicate that. He knows that it is on the website and of course they can call; however, a lot of people were caught off guard and did not have the .85 cents.

2) Nicole Bowen, 1137 Kney Street, Memphis, TN 38107

Ms. Bowen wanted talked about a specific incident that happened this past Saturday with one of the rude Mataplus operators of which she stated that she has reported constantly about the proper way to load and unload her mom on and off the bus. The operator stated that she is not supposed to do it. Management was called and even afterwards the operator still refused to do it. The bottom line is Nicole and her mom were inconvenienced for a while before the operator decided to do it. The operator made rude comments about other people need to be trained on how to handle people with disabilities. There is no consistency in this area of training. Ms. Bowen stated she is still having problems with dispatch. They are changing rules from day to day, not following the policy. They have been left a few times of which these problems have been addressed but she does not receive feedback.

MEMPHIS AREA TRANSIT AUTHORITY

1370 Levee Road

Memphis, TN 38108

Telephone: 901-722-7100 www.matatransit.com

Bus 226 continues to break down. Her mom has gotten stuck on the bus several times. One of the operators stated he does not know how to fix the bus. She also stated that the new operators that MATA hired, the people in the dispatch management do not know who actually has the endorsements or who has license and that poses a problem because people with the endorsements can't drive the big buses, but they can drive the other vehicles.

3) Alison Donald, 5100 Poplar Avenue, Suite 810, Memphis, TN

Ms. Donald had a concern about the Assessment Center and the 31% of the people that were denied for the month of March and the way they will get around the city now that they have been denied access to the MATAplus service. Is MATA going to provide for some sort of travel training for these individuals or is travel training going to be left up to the individual? Mr. Rosenfeld will get back with the Board on an answer to this question.

4) Beauregard Frierson, MATA Rider

Mr. Frierson stated that he constantly talks about a bus stop closer to Deadrick Street because he walks a long way to catch a bus and must cross a lot of streets to get to a stop. Mr. Frierson also addressed the MATA Board about needing a stop light at Bonnie and Park because it is very danger to cross the street in that area. Mr. Vergos respectfully informed Mr. Beauregard that putting a traffic light in any area is out of MATA's jurisdiction. This falls under the City of Memphis and he suggested that Mr. Beauregard would go to the city council regarding this concern.

Old/New Business

- Next Board Meeting is April 23, 2019 at 3:30p.m.
- Gary asked the Board to please consider moving the June meeting a week earlier.
- Gary mentioned having a Finance Committee Meeting to present an Audit to the Board, which will probably occur an hour before the Regular Board Meeting.
- There will be a need to convene the Service and Development Committee as we get ready for the next round of service changes, also, as we bring together a new fare policy to be implemented with the new Fare Collection System. The fare policy could be several sessions and will probably start getting into these around May and will begin calendaring these dates soon.

TO: MATA Board of Commissioners

FROM: Gary Rosenfeld, Chief Executive Officer

SUBJECT: IFB # 19-07, Pressure Washing Services at American Way & William Hudson Transit Centers

DATE: April 23, 2019

This memo provides a summary of the MATA's procurement for Pressure Washing Services at American Way and William Hudson Transit Centers. An Invitation for Bids was sent to 22 vendors for this procurement.

The contract award is based on the lowest price from among the responsive and responsible bidders.

This procurement was formally advertised and procured through a formal Invitation for Bids. Two responsive bids were received as follows:

Barnes & Brower	\$795,300.00
Trends Group LLC	\$620,375.00

Trends Group LLC submitted the lowest bid price of \$620,375.00. Their company is a DBE, and since they will be performing all the work, their DBE participation will be 100% which exceeds MATA's DBE goal of 27% for this project. MATA has worked with Trends Group on several projects, and their work has always been acceptable.

MATA's Staff recommends that a five-year contract be awarded to Trends Group, LLC for the Pressure Washing Services at American Way and William Hudson Transit Centers in an amount not to exceed \$620,375.00.

TO: MATA Board of Commissioners

FROM: Gary Rosenfeld, Chief Executive Officer

SUBJECT: IFB 19-09 Three-Year Supply of Batteries

DATE: April 23, 2019

This memo summarizes the procurement and evaluation process for a supplier to provide new batteries over a three-year period. MATA is required to maintain an inventory of parts to ensure the efficient operation of its facilities and fleets.

The IFB was sent to eight vendors, formally advertised and posted to MATA's website. The DBE goal for participation was set at 0% since this procurement is only for supplying batteries.

Four responsive and responsible bids were received. MATA staff reviewed each bid on the criteria of the lowest responsive and responsible bid.

MATA staff recommends that a three-year contract to be awarded to Napa Auto Parts. The value of the contract, as presented in the board resolution is based on the lowest responsive and responsible bid at a cost not to exceed \$98,148.00.

MEMPHIS AREA TRANSIT AUTHORITY
BOARD OF COMMISSIONERS

RESOLUTION NO. 19-17

**RESOLUTION TO AWARD A CONTRACT TO CLEAR ADVANTAGE LIGHTING
FOR THE PURCHASE OF DECORATIVE POLES, BASES & EQUIPMENT FOR MATA'S RAIL LINE**

WHEREAS, The Memphis Area Transit Authority (MATA) is required to maintain an inventory of decorative poles, bases, & equipment to ensure safe, efficient and continued operation of its trolley service; and

WHEREAS, MATA issued an Invitation for Bid (IFB) for companies to provide new poles, base & equipment and one offer was received; and

WHEREAS, Staff has reviewed the bid received and recommends that a contract be awarded to Clear Advantage Lighting at a cost not to exceed \$76,300.00; and

WHEREAS, Capital funds are available for this procurement.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMPHIS AREA TRANSIT AUTHORITY BOARD OF COMMISSIONERS That a contract be awarded to Clear Advantage Lighting at a cost not exceed \$76,300.00 for the purchase of Decorative Poles, Bases & Equipment for MATA's trolley system pending the receipt of one final document from the vendor.

BE IT FURTHER RESOLVED That the Chief Executive Officer, Chief Administrator Officer, Chairman, or Vice-Chairman be authorized to execute any and all documents necessary to process this contract.

MEMO

TO: MATA Board of Commissioners

FROM: Gary Rosenfeld, Chief Executive Officer

SUBJECT: IFB 19-14 Decorative Poles, Bases & Equipment for Trolley System

DATE: April 23, 2019

This memo summarizes the procurement process for the purchase of decorative poles, bases and equipment to maintain the efficient and continued operation for MATA's Trolley System.

The IFB was sent to three vendors, formally advertised and posted to MATA's website. The DBE goal was set at 0% for this solicitation. One bid was received, and it was deemed to be responsive and responsible pending one final document that is required since this was a single bid. MATA staff reviewed this bid on the criteria set forth in the IFB.

MATA staff recommends that a contract be awarded to Clear Advantage Lighting at a cost not to exceed \$76,300.00.

BOARD OF COMMISSIONERS
MEMPHIS AREA TRANSIT AUTHORITY

RESOLUTION NO. 19-18

**RESOLUTION TO AWARD A CONTRACT TO A & B CONSTRUCTION CO., INC. FOR INSTALLATION
OF BUS SHELTERS AND BIKE RACKS**

WHEREAS, The Memphis Area Transit Authority (MATA) is the public transportation system serving the Memphis area and MATA provides bus shelters for its passengers at key bus stop locations; and

WHEREAS, The purpose of this project is for the assembly and installation of up to 100 bus shelters with free standing benches, bike racks and other amenities on an as-needed basis over a five year period at various locations in MATA's service area; and

WHEREAS, MATA issued an Invitation for Bids (IFB) for companies to assemble and install bus shelters and bike racks; and received one (1) bid; and

WHEREAS, The one bid was responsive; and

WHEREAS, Contract award is based on the lowest responsive and responsible bid; and

WHEREAS, A & B Construction has submitted the lowest responsive and responsible bid; and

WHEREAS, The estimated cost of the five – year contract based on all 100 shelters being installed is \$272,460. Unit costs based on pouring a new concrete pad and assembling and installing one shelter and bench and/or bike rack (excluding insurance and performance bond) are as follows:

Year-One	Year-Two	Year-Three	Year-Four	Year-Five
\$2,465.00	\$2,589.00	\$2,718.00	\$2,854.00	\$2,997.00

WHEREAS, the cost of insurance and performance bond will be negotiated on each installation order; and

WHEREAS, Unit prices of other related materials and services have also been established as shown in the attachment; and

WHEREAS, The DBE goal has been exceeded; and

TO: MATA Board of Commissioners

FROM: Gary Rosenfeld, CEO

DATE: April 23, 2019

SUBJECT: Installation of Bus Shelters and Bike Racks

This memo summarizes the procurement process to secure a contractor for the assembly and installation of bus shelters and bike racks with free standing benches over a five-year period. MATA solicited bids for this project from 14 vendors, and the solicitation was formally advertised and placed on MAYA's website.

The goal for participation by Disadvantaged Business Enterprises (DBE) was set at 14%.

One (1) responsive bid was received. Prices were requested on a per-shelter basis to include pouring new 16-foot by 6-foot concrete pad and for the assembly and installation of shelters, benches and bike racks. The prices of the responsive offerors were as follows:

A & B Construction - \$272,460

The DBE participation was:

A&B Construction – 100%

Staff recommends that a contract be awarded to A & B Construction Co. Inc.

The contract award is based on the lowest price from among the responsive and responsible bids.

BOARD OF COMMISSIONERS

RESOLUTION NO. 19-19

RESOLUTION AUTHORIZING THE DISPOSAL OF SURPLUS/OBSOLETE PARTS

WHEREAS, The Memphis Area Transit Authority (MATA) has surplus/obsolete parts that are no longer useful to the Authority listed in Exhibit A; and

WHEREAS, It is in the best interest of MATA to dispose of said parts; and

WHEREAS, Said parts shall be disposed by vendor credit, written bids, electronic bids, trade-in, FTA transfer, negotiated sale price or by public auction; and

WHEREAS, If MATA is unsuccessful in disposing of said parts in the manner stated above, then they may be sold as scrap or discarded; and

WHEREAS, Staff recommends that personnel employed by Mid-South Transportation Management, Inc. or First Transit, Inc. not be permitted to bid on any of the items sold by MATA.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMPHIS AREA TRANSIT AUTHORITY BOARD OF COMMISSIONERS Is hereby authorized to dispose of the surplus/obsolete parts by vendor credit, written bids, electronic bids, trade-in, FTA transfer, negotiated sale price or by public auction.

BE IT FURTHER RESOLVED That personnel employed by Mid-South Transportation Management, Inc. or First Transit, Inc. are not be permitted to bid on any of the items sold by MATA.

BE IT FURTHER RESOLVED That if the aforementioned methods of disposing of said parts are unsuccessful, they may be sold as scrap or discarded.
