

QUESTIONS AND ANSWERS

SUBJECT: THREE-YEAR ENVIRONMENTAL WASTE MANAGEMENT

DATE: APRIL 22, 2026

PROPOSAL NO.: 051326AB

PROPOSAL DUE: MAY 13, 2026 TIME: 11:00 a.m. C.T.

MATA'S RESPONSES FOLLOW IN BOLD

QUESTION 1

Could you clarify the source of the oil? Is it sourced directly from your sites, or does it come from citizen or customer drop-off locations?

All substances and filters come from MATA's use. There are no outside sources.

QUESTION 2

For any of these sites do you have customer/ citizen drop off?

No, MATA is the only company using the sites.

QUESTION 3

I am looking for clarification on one item in this bid request .

For the Used Oil – are tanks and oil caddies to be provided by us or are there existing tanks that are onsite that you currently own that are going to be used for the collections?

The current oil tanks and coolant tanks belong to the current vendor as noted in the Scope of Work “Used Motor Oil” and “Used Antifreeze”.

“The collection of used motor oil will be accomplished using two Contractor provided 550-gallon UL . . .”

“The collection of used antifreeze will be accomplished using two 250-gallon storage . . .”
